

STOP DIGGING.

ONE GOOD
FIELD WIRE
IS ALL YOU NEED.

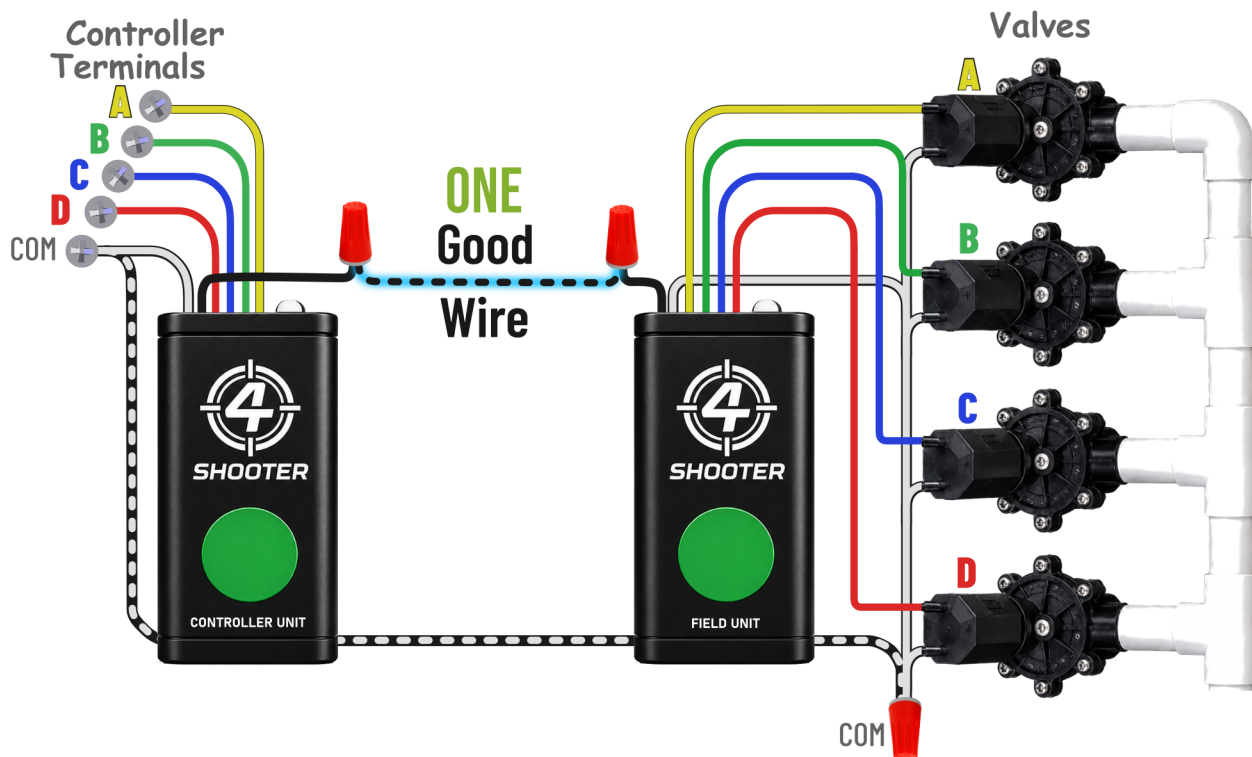

SHOOTER

IRRIGATION ZONE EXPANSION & WIRE RECOVERY SYSTEM

TURN **ONE** GOOD WIRE

INTO **MULTIPLE** ZONES

HOW DOES IT WORK?

4SHOOTER lets you turn **ONE** good field wire into **MULTIPLE** independent **ZONES**

Use the existing field wire and common to control additional valves without pulling new multi-strand cable.

SOLD in matched **PAIRS**:

Controller Unit + Field Unit

Each Controller Unit **PAIRS WITH** the **SAME COLOR** Field Unit

ZONE EXPANSION:

Operate up to **16 ZONES** with **ONE** field wire.

- 1 Pair = Up to 4 Zones
- 2 Pairs = Up to 8 Zones
- 3 Pairs = Up to 12 Zones
- 4 Pairs = Up to 16 Zones

LESS TRENCHING. LESS WIRE. LESS LABOR.

- Compatible with standard 24VAC irrigation systems
- Fully waterproof
- Built to last
- Solid 18-gauge tinted wires
- Easy to install

PAIRS COMES IN 4 DIFFERENT COLORS    

Exclusively distributed by Hugh M. Cunningham
