School: Yale University
Major: Neuroscience

What is your favorite part about college so far?

Finding new interests in my classes that I would have never thought of.

What did you love most about your time at LHS?

The fun extracurriculars I was part of, like band, field hockey, & the science club.

What is your go-to place for a bite to eat in Lowell?

Eggroll Cafe — I love their egg rolls!

Who is the LHS teacher you miss the most?

I miss Mrs. Smith the most & learning about the Spanish language & culture!

What is your advice for current LHS students?

Be sure to create a good balance between academics and self-care so you don't get burned out.
