

# MEET ALICE.

School: Boston College  
Major: Human-Centered  
Engineering

## What is your favorite part about college so far?

A course that I am taking which pairs literature & philosophy together.

## What did you love most about your time at LHS?

The diversity in opinions & experiences that were available to me.

## What is your go-to place for a bite to eat in Lowell?

Sweet Journey, for their bubble tea!

## Who is the LHS teacher you miss the most?

Narrowing it down to one teacher is too difficult! I would say I miss Mr. Z and Dr. Woodward equally.

## What is your advice for current LHS students?

Just be yourself and don't be afraid to take time to do things that you want to do, regardless of how unimportant they may seem.
