

Legacy Society

*Helping to ensure
a more musical America*

National Federation
of Music Clubs

Since 1898 NFMC has been helping create a more musical America by promoting American music and musicians. NFMC programs work to foster musical opportunities for communities, emerging artists, college students, and young people.

Join the NFMC Legacy Society by making a lasting gift to preserve the future of America's largest musical philanthropic organization...the National Federation of Music Clubs. No matter what the size of your gift, it matters, for it helps sustain scholarships, awards, educational programs, and opportunities that inspire future generations of musicians.

Ways to Give:

- Bequest in your will or trust
- Designate NFMC as a beneficiary in your retirement accounts and/or life insurance
- Designate NFMC as a transfer-on-death recipient for stocks, bonds, mutual funds, etc.
- Designate NFMC as a pay-on-death recipient of CD's, savings accounts and/or checking accounts
- Using the laws of your state, name NFMC as a recipient of any real estate you wish to leave to the Federation

Benefits of Giving:

- Your gift lasts for generations to come
- You are supporting future music students, musicians, music lovers, and music communities
- Gifts by many individuals carry a greater impact
- Honor what NFMC has meant to you

Next Steps:

- Speak to your family, financial advisor, tax preparer, and/or attorney about remembering NFMC in some tangible way
- Choose a way of giving that best fits your wishes and situation
- Contact the NFMC Legacy Society Committee Chair for any additional information you may need
- Inform the NFMC Legacy Society Chair, Dr. Ouida Keck, that you intend to include NFMC in your estate planning. If you have already included NFMC in your estate plans, we hope you will let us know so we can welcome and recognize you as a member of the Legacy Society.
- Access the Estate Gift Notice from the NFMC website - see QR code

*Your legacy today
creates the music
of tomorrow.*

NFMC Legacy Society Chair,

Dr. Ouida Keck
