

Practice For Purpose

Practice for Purpose is a fundraiser in which students pledge to practice music for a set number of minutes each day over the course of a week to raise money for music education. Once the student has reached their practice goal, sponsors fulfill their pledged donation directly to the charity.

This year, the NFMF Western Region is proud to support

Every Child's Encore

a nonprofit in Alaska's Kenai Peninsula, providing instruments, education, and resources at no cost to Alaskan children, so every child who wants to make music can. Visit **Every Child's Encore Facebook page** to learn more.

Thank you for helping kids discover the life-changing power of music!

How to Participate

- **Sponsor a music student you know** by pledging a flat donation toward their Practice for Purpose goal.
- **The student will contact you** once they have achieved their practice goal.
- **Make your donation:** Scan the Every Child's Encore QR code or visit www.ca-fmc.org to easily make your tax-deductible donation.
- **Help us track our total:** On the donation form under "**Business Name (if applicable)**" please enter "**NFMF.**" This allows us to accurately track all Practice for Purpose donations toward our overall fundraising total.
