

SPRING 2026

SYMPOSIUM ON COASTAL RESILIENCE

WHEN: APRIL 21-24, 8:00 AM - 4:00 PM

WHERE: 58 MAIN ST. MARSHFIELD

WHO: STUDENTS IN GRADES 8-12

SUMMARY OF EVENTS:

Building off of ARII's successful Symposiums on Coastal Resilience that took place last year, students from across the region will:

- Tour Marshfield coastline and inlets to see, first-hand, the impact of annual coastal storms.
- Meet with Local, State & Federal officials to discuss steps being taken to address coastal erosion and other marine-related challenges facing our region.
- Interact with professors and students at Massachusetts Maritime Academy who are working on coastal projects.
- Work with experts at the Whale & Dolphin Conservancy in Plymouth
- Learn about coastal work being done by the Army Corps of Engineers and visit their project sites on Cape Cod.
- Meet with industry leaders in the field of construction/engineering to learn how they manage development along the coast.

If you are interested in coastal resiliency and maritime engineering, this symposium is for you!

Signup Deadline is April 10, 2026/ Program Cost: \$250

FAQs:

What is the cost for the week?

The cost for the week is \$250.00*

Does my student need to bring lunch? Yes.

All students should plan to bring lunch every day and will receive advanced notice if alternative lunch will be provided. If students have food allergies, and the Academy is providing the meal, alternative options will be provided.

My student takes medication. Can I send it with them?

Yes. Students that need medication during the day are responsible for administering it themselves.

There are no school nurses as part of this program. Can you accommodate students with disabilities?

Please reach out to our Academy Director for more information.

What should my student wear?

All students should be dressed in comfortable clothes, as they will be doing some work outside. Sneakers and/or boots are appropriate.

What is your cancellation policy?

The \$250 charge is non – refundable.
