Dear Congresswoman Sherrill:

The undersigned chambers of commerce, representing businesses throughout the state of New Jersey, respectfully ask you to support the Infrastructure Investment and Jobs Act, when Congress votes on it at the end of this month. The passage of this legislation is extremely important to New Jersey and its economic recovery.

As the U.S. Chamber has reported, this legislation, if enacted, would benefit our state by providing:

- \$6.8 billion for federal aid highway apportioned programs
- \$4.1 billion for public transportation
- \$1.1 billion for bridge replacement and repairs
- \$100 million for broadband coverage

We hope we can count on your support to secure this much-needed assistance. It is critical to maintaining New Jersey's economic competitiveness and its quality of life.

Sincerely,
