Life and Accident/Health Insurance Pre-Licensing Course

This New Jersey-approved licensing course covers all of the topics required by law to prepare students to pass the NJ State Insurance Licensing examinations for Life and Accident/Health.

Life topics include: traditional life insurance, interest-sensitive life insurance, term insurance, policy provisions and riders, and pertinent NJ insurance laws and regulations.

Accident/Health topics include: disability insurance, medical insurance, long-term care insurance, Medicare supplement insurance, and pertinent NJ insurance laws and regulations.

Upon successful completion of the course examinations, students receive a Certificate which enables them to sit for the state-required licensing examinations.

LAH-100-01
Dates: Mon. – Fri., Dec. 3–7, 8 am–5 pm

Property and Casualty Insurance Pre-Licensing Course

This New Jersey-approved licensing course covers all of the topics required by law to prepare students to pass the NJ State Insurance Licensing examinations for Property and Casualty.

Property topics include: dwelling and homeowners insurance, Business owners insurance, marine floaters, policy conditions, and pertinent NJ insurance laws and regulations.

Casualty topics include: auto insurance (personal and commercial), general liability insurance, workers compensation, policy conditions, and pertinent NJ insurance laws and regulations.

Upon successful completion of the course examinations, students receive a Certificate which enables them to sit for the state-required licensing examinations.

PCI-100-01
Dates: Mon. – Fri., Dec. 10–14, 8 am–5 pm

RCGC is pleased to collaborate with Professional Training Services to offer these Insurance Pre-licensure Courses.
