

College Freshman Prayer & Encouragement Sponsors

As our high school graduates begin this exciting new chapter of college life, they will experience many new opportunities, challenges, and changes. Even though they may be miles away from Community Presbyterian Church, we want them to know they are never far from our hearts.

We are looking for caring adults to become **College Freshman Sponsors**. This ministry is not about being a mentor or providing financial support. Instead, it's about being a consistent source of encouragement during a student's first year away from home.

As a sponsor, you would commit to:

- Praying regularly for your student.
- Sending occasional cards or notes of encouragement.
- Texting or emailing positive messages throughout the year.
- Reminding them that their church family is thinking of them and cheering them on.

Sponsors will gather a few times each year to share ideas, pray together, and brainstorm meaningful ways to encourage our students.

The transition to college can be both exciting and overwhelming. A simple text, a handwritten note, or a prayer can remind a student that they are loved, supported, and never alone.

If you have a heart for encouraging young adults and would like to be part of this ministry, we would love to have you join us. Together, we can help our college freshmen remember that no matter where life takes them, they will always have a church family praying for them and walking alongside them.

Please reach out to me at tracyrynkowski@gmail.com and include "Student" in the memo line so I don't miss it.

Blessings!
