Meet the Micro Buyers at Selfridge

**Macomb Regional PTAC and Selfridge Air National Guard Base
invite you to *Meet the Micro Buyers at Selfridge.***

In August of 2018, the Department of Defense raised the micro-purchase threshold for supplies to \$10,000.

- A micro-purchase is a purchase for goods.
- It has minimal competitive procedures, including small business set-asides.
- Micro-purchases can be awarded without soliciting competitive price quotations if the price is reasonable.

Macomb Regional PTAC is excited to offer this event focused on micro-purchase buying at Selfridge Air National Guard Base. At this event, you will learn more about micro-purchase buys and have an opportunity to market your business to the micro buyers at Selfridge by participating in 15-minute speed-dating sessions. Please bring plenty of business cards and up-to-date capability statements.

No fee to attend, but all attendees are required to register. Please fill out all the required information on the registration page. Without supplying this information, you will not be cleared for access to the base.
No walk-ins will be allowed the day of due to the requirement of pre-authorization by SANGB.

Registration will close on July 15, 2019, COB to allow time for SANGB to pre-authorize attendees.
