

From Hospice to Home Funeral:

What you need to know about

Caring for your own after death

**Sponsored by
Pemi-Baker
Community Health**
***call to register**

Wednesday, April 29th

3:00 p.m. @ Pease Public Library-Plymouth

Home Health(VNA) · Hospice & Palliative Care · Physical Therapies · Aquatics & Fitness

603-536-2232 / www.pbhha.org

Join us as we learn about:

- Home funeral and green burial options
- Families' legal rights and responsibilities
- Making a funeral meaningful without breaking the bank
- What things can be done at home with family and friends
- Working with a funeral director to get services you need and want
- What's happening around the world to change the way we honor our dead

Featured speaker: Lee Webster

Director of NH Funeral Resources, Education and Advocacy; President, Green Burial Council International; Founder, Conservation Burial Alliance; Co-owner, Funeral.org Partnership; former president, National Home Funeral Alliance; founder, National End-of-Life Doula Alliance
