

## 2020 Open Annual ANAC Committee Meetings

Our annual committee meetings, usually held at conference, will be virtual this year. All members are invited to attend any committee meeting of interest. Meetings will be one-hour via Zoom, with a short presentation, updates on the committee work and goals for 2021 and an invitation to get more involved with the committee in 2021, if interested. **Please register in advance for email link and confirmation.**

This committee works to identify the special issues inherent in living and working with HIV in sparsely populated areas such as lack of resources, distance to care, lack of supportive services and increased stigma and isolation. These issues intersect with the HIV rates in the rural south and the opioid epidemic in rural communities.
