

Greetings from the HIV/AIDS Nursing Certification Board (HANCB)!

On behalf of the Board of Directors, I am honored to bring you greetings. We have an exciting year ahead, and a lot of news to share with you.

The ACRN exam has been revised, and will be rolled out for new ACRN exam takers, or those who choose to recertify by exam, in the early part of 2018. The new exam reflects current knowledge and practice. Stay tuned for an announcement detailing when the new exam will be available.

In addition, the Board, under the leadership of Karen Cervino (ACRN) is in the process, of creating a new ACRN practice exam. We will post on the HANCB website when that practice exam will be available.

For the first time, under the leadership of President-elect Dr. Barb De Rose (AACRN) the Board is in the process of creating an AACRN practice exam. We are very excited about this new venture.

As we approach World AIDS Day 2017, thank you to all of you for your commitment to excellence in HIV and AIDS Care and for the compassion, commitment, and care you provide.

On behalf of the 2018 HANCB Board of Directors, I'd like to thank our immediate Past President, Dr. Robert Dodge, for guiding us through the past two years, and bringing us to these new and exciting developments.

Please stay tuned through the ANAC updates or by visiting [www.hancb.org](http://www.hancb.org), or please feel free to contact me at [pek1004@aol.com](mailto:pek1004@aol.com).

Patrick

Dr. Patrick Kenny, President, HANCB.
