1:00PM

Saundra Merollo Senior Sales Engineer
SHARP INFORMATION AND IMAGING COMPANY OF AMERICA

Communication, Collaboration and Influencing Consumer Behavior 12:00NOON - 1:00PM

As homes become smarter, so do buildings, offices, classrooms and public areas. Creating a collaborative space and deploying digital communication has become the norm. Buzz words such as AI, Big Data, and 4k are being deployed in many applications. Join digital transformation pioneer Saundra Merollo as she shares the latest trends in audio visual technology and how it influences consumer behavior and creates a competitive advantage.

LEARNING WORKSHOPS

Go Digital 9:00AM | Jeff Osgar Coordinated Business Systems

Practical and actionable demonstration of how you can simplify storing and retrieving crucial information, while creating streamlined processes to route the document for approval.

Unleash the Power of Your MFP 10:00AM and 1:00PM | Pat Hoffman and Brent Fickle Kyocera

Designed specifically for existing Kyocera TaskAlfa users. This session will highlight capabilities that are available via applications to better leverage existing MFP investments, as well as investments in back end systems designed to streamline Business Processes to maximize efficiency.

Benefits of Hosted Telecom 11:00AM and 2:00PM | Lance Cleaver Allegiant Technology

Should your phone system be on premise or hosted in the cloud? Gain the insight to determine the best course of action by identifying the important facts that will impact your direction.
