Mahoney Ulbrich Christiansen Russ P.A. has been named one of the Top 150 Workplaces in Minnesota by the Star Tribune. A complete list of those selected is available at StarTribune.com/topworkplaces and was published in the Star Tribune Top Workplaces special section on Sunday, June 28.

Produced by the same team that compiles the 29-year-old Star Tribune 100 report of the best-performing public companies in Minnesota, Top Workplaces recognizes the most progressive companies in Minnesota based on employee opinions measuring engagement, organizational health and satisfaction. The analysis included responses from over 76,000 employees at Minnesota public, private and nonprofit organizations.

The rankings in the Star Tribune Top 150 Workplaces are based on survey information collected by Energage, an independent company specializing in employee engagement and retention.

Mahoney Ulbrich Christiansen Russ P.A. was ranked 36th on the small company list.

"We are honored to be included in the list of Top 150 Workplaces. Especially since the judges were our employees!" said Roz Allyson, Managing Partner.
