

The Dallas Alumni Chapter is excited to announce that our beloved philanthropy event is still on for 2020. We invite you to take Cookies & Castles, Home for the Holidays.

### **Mark your calendars for December 12<sup>th</sup>.**

For 13 years, Cookies & Castles has kicked off our holiday season with a weekend full of sweet treats and smiles. For the safety of our guests and the patients at Scottish Rite Hospital, we are going to bring the celebration to your home. The Cookies & Castles committee is hard at work creating fun, holiday party packages of gingerbread houses, candy, icing and all the supplies you'll need for your at-home Gingerbread Extravaganza.

We hope you will join us for Cookies & Castles again this year as we continue to support the prosthetics department at Scottish Rite for Children and our sisters through the Tri Delta Foundation.

Orders will open at the end of this month, stay tuned for more package and at-home party details.
