Distance Learning

Read and Learn

Read Joshua 1-6

Read the Bible Passages. Or, for a young child, the parent can read the story to the child in a Beginner's Bible or in story form. Then, answer the 3-2-1 questions within the orange box, on this page. E-mail your answers to: office.epiphany@verizon.net. If your child cannot write/type answers, you can ask the questions and write/type his/her responses in the e-mail. We will write back and you are eligible for a "badge". Anyone can participate. We would love to hear from you!
