GEMS After-school Program is a collaboration between Graham Elementary & Middle School & Communities In Schools of Central Ohio. GEMS After-school Program has an academic focus that supports school day grade level achievement. The purpose of this collaboration is to surround students with a community of support, empower them to succeed in school and achieve in life.

GEMS After-school Program is funded through an Ohio Department of Education Nita M. Lowey 21st Century Community Learning Center grant.

Program Highlights:

- A Safe environment with caring adults
- Homework Assistance
- Daily Literacy & Expeditionary Learning
- Mentoring & OSU Volunteer Reading Buddies
- Enrichment Activities
- *Meals provided Mondays through Children's Hunger Alliance USDA food program*
