Back-To-School is Back!

From enriching activities to everyday equipment, Learning Resources and Educational Insights have the teacher essentials that keep classrooms running.

Answer Buzzers

Turn any lesson into a game! Four colors and fun sounds—horn honk, boxing bell, doorbell, and “boing.” Each measures 3½” in diameter and requires 2 AAA batteries, not included. **Grades PreK+ | Ages 3+**

LRN LER 3774

Time Tracker® Classroom Timer

Unique timer's light and sound cues help you keep your whole class on track. Features 180° viewing; green, yellow, and red light-up sections. Timer measures 9”H x 4¼” in diameter and includes Activity Guide. Requires AC Adapter (LER 2901) or 4 AA batteries, not included.

LRN LER 6900

Fluorescent Light Filters Tranquil Blue

The harsh glare and flickers from typical fluorescent classroom lighting can cause eyestrain, headaches, and anxiety in students. Calm and soothe students by decreasing glare. These fabric panels fit over standard ceiling fixtures with sturdy, sewn-in magnets.

- Each set includes 42” x 4’ heat-resistant panels in either Tranquil Blue or Whisper White.
- For use with fluorescent lights only!

⚠ SMALL PARTS (1). Not for < 3 yrs.

EII 1230

Super Strong Magnetic Clips

Hold folders, student portfolios or large stacks of homework! Use on whiteboards, file cabinets, or any magnetic surface. Clips measure 1½” diameter.
