

# Teacher Appreciation Week

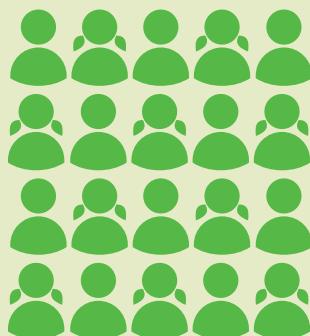

## Why Teachers Deserve Our Praise and Our Support

Unlike other careers in which the same method can be applied time and time again, teaching requires an individualized approach as each student learns differently and has a different set of circumstances.

### About U.S. Teachers

On average, teachers work more than **52** hours a week, including **30** hours on instruction and **22** hours on tasks like preparing lessons and grading papers.

National Center for Education Statistics 2011-12 Schools and Staffing Survey

At the same time, teachers work with an average of more than **20** students per class; as well as work with new students each school year.

National Center for Education Statistics 2011-12 Schools and Staffing Survey

And the average annual base salary of a full-time public school teacher is

National Center for Education Statistics 2011-12 Schools and Staffing Survey

# \$53,100

Every day in schools across the country, teachers touch the lives of **millions** of children, and their work and impact extends far beyond the boundaries of the classroom.

### When Families are Engaged and Partner with Teachers

Students attend school more regularly, earn better grades, enroll in higher-level programs, have higher graduation rates, and are more likely to enroll in post-secondary education.

A New Wave of Evidence: The Impact of School, Family and Community Connections on Student Achievement

# 10x

One prominent study found that, students are **10 times** more likely to improve in math and **4 times** more likely to improve in reading than students who attend schools without effective family engagement.

Organizing Schools for Improvement: Lessons from Chicago

In fact, family engagement can raise student academic achievement so significantly that schools would need to spend an additional **\$1,000** per pupil to receive the same academic results.

### How Can Families Effectively Partner With and Support Teachers

- **Develop** a relationship with your child's teacher and keep in touch with him/her often
- **Ask** the right questions
- **Set** goals with your child and his/her teacher and foster the achievement of those goals
- **Review** your child's data to ensure he/she is on track
- **Look** in your child's backpack every day
- **Frequently** view the parent portal (or whichever tool your child's school uses)
- **Actively** participate at school when possible
