The OCFP is seeking Family Physicians to join our Board of Directors.

Why volunteer as a Board Director?
• Support Ontario’s family physicians through education, leadership, advocacy, and research
• Play a key strategic role in shaping the OCFP’s programs and services for members
• Guide and impact health system change
• Develop and use your leadership and governance skills to make an impact
• Work with a dedicated and talented group of leaders – physician and non-physician.

What is the annual commitment?
• Two in-person full-day meetings in downtown Toronto
• Two half-day retreats in downtown Toronto (scheduled to align with Board meetings)
• Three virtual full-day meetings
• Participation on a Board Committee that meets virtually for 60-90 minutes, two weeks before each Board meeting
• Directors are appointed for an initial three-year term and may be reappointed for a second three-year term.
• Term begins at the Annual Meeting of Members (AMM) on September 25, 2024.

What is the remuneration?
• Because the OCFP is a not-for-profit organization, Board Directors are volunteers.
• We do reimburse for expenses incurred to attend the meetings.

About the OCFP Board:
The Board is comprised of 13-16 Directors from across Ontario, 75% of whom are family physicians. We are wrapping up our Strategic Plan 2021-2024 and will move to a new 3-year strategic plan later this Spring.

The Board is skills based, with new Directors bringing complementary skills and perspectives to the existing Board composition to address potential gaps.
