

Student Support & Academic Enrichment

Optimize your Title IVA, Part A (Title IVA) allocation by partnering with Catapult Learning to design a service plan to meet the needs of your school community. The goal of Title IVA is to improve students' academic achievement by focusing on well-rounded schools, safe and healthy environments, and effective use of technology. Our team of academic experts has extensive experience tailoring services to meet the needs of nonpublic school partners nationwide.

Catapult Learning Services

Reading & Math Intervention

Staffed intervention programs — featuring highly structured lessons, support, and instructional modeling — remediate essential prerequisite skills while developing effective study skills.

STEM Programs

Catapult Learning's new STEM curriculum is based on the Engineering Design Process and features a supplemental, modular design for flexible implementation.

Summer School

Reduce summer learning loss by providing an engaging, interactive program fully managed by Catapult Learning.

Professional Development and Coaching

High-impact coaching solutions, offered alone or in tandem with any workshops or institutes, provide customized programming focused on ensuring that modifications in teaching and planning are reflected in positive student outcomes.

Eligible for Title IVA Allocation

Counseling

Catapult Learning's credentialed, committed, master-level counselors can supplement your counseling staff or provide turnkey counseling for students or groups of students who need extra support for behavioral, academic, social, and emotional challenges.

Family Connections Program

The Family Connections program helps schools foster stronger relationships with the local community.

Blended Learning

Provide your students with an engaging, personalized learning experience. Our blended learning programs seamlessly incorporate technology partners to differentiate and scaffold instruction.

Student Mentoring

Connect students with positive adult role models to offer guidance, build self-confidence, and provide a supportive resource.
