

Having a hard time staying on top of laws, policies, documents, protocols...

We have just the right solution for you!

IT IS HARD to stay on top of state and federal laws, as well as school board policies, but it is expected of you. Can you even be certain you are working with information that is up to date?

Region 3 is proud to introduce its latest partner, **Texas School Procedures, LLC (TxSP)**. Created specifically to save you valuable time and effort, **TxSP** offers an extensive online repository of document templates and resources that are current, accurate, and vetted to align with required legislation, policies, and protocols; a critical benefit to your campus and district processes. Why take a risk, if **TxSP** takes the guesswork out of how to comply with law and implement policies?

TxSP can support you by:

- * Developing material for practitioners, by practitioners in seven categories: *Campus Operational, Counseling, District Operational, Nursing, Personnel, Student Support, Training*
- * Having everything conveniently in one place, online, and easily accessible.
- * Providing electronic documents, letters, and notifications that are easy to locate and use.
- * Offering home letters and documents in both English and Spanish.
- * Keeping current on all protocols and documents when changes occur at state and federal levels.
- * Adding new protocols and documents regularly.
- * Providing access to unlimited users per district.

To learn more about this affordable solution, contact Region 3. We can help you stay on top of these important responsibilities through our new partner, **Texas School Procedures, LLC**.
