

LESSON DESIGN FOR A VIRTUAL CLASSROOM

Design meaningful, relevant, engaging virtual learning experiences for your students.

Learn to:

- Use Zoom features to increase student engagement
- Create interactive Google Classroom activities
- Provide intentional and effective feedback

"This was definitely one of the best trainings I've done....Not even a second seemed to be wasted time. I felt like I really needed all of these answers and I am better prepared to create engaging lessons in the future."

- June 9th, 2020, 1:00pm–3:00pm
- Hosted virtually via Zoom
- \$70 per participant (Free to Classroom Content Members!)
