4th Quarter, 2019

Beloved,

Loving greetings from the Valley of Angels! 2019 has been an amazing year, and as we look back we can see that our travels have been almost like a pilgrimage, **connecting the old to the new**. As we went to **India** in February, we reconnected with people we hadn't seen for decades in the land our founder, Sister Gwen Shaw, called her "great love." We found many ETH&S serving God with fervent hearts, even in the face of increasing persecution. God is on the move in a MIGHTY way in India as the Harvest is increasing every day!

Our prayer journey to **Israel** in March was a great blessing as we travelled the Land with local Believers, praying and redeeming. We felt that there was great success as we obeyed the Holy Spirit's leading. The **House of Peace** ministry has brought together some top notch intercessors who make a difference as they meet together weekly. It's always a great blessing to be in God's Land, interceding for His purposes. Pray about coming with us in early November for the **Jerusalem Summons** (we postponed it). The details are on our website¹ or you can call or write for a brochure.

Our spring trip to **Blue Mountain Christian Retreat** and various meetings along the way was also a blessing.

After a glorious **World Convention**, we went to **Canada** and ministered in the Winnipeg area. Then went north among the people of Canada's First Nations in Thompson, Norway House, and the Flin Flon area. We had a glorious time and know that God is moving among His people! We visited North Battleford where the Holy Spirit was poured out in a mighty way in 1948 as people fasted and prayed. We even prayed in Sister Gwen's birth place about sixty miles from there.

A New Era: Early in September, we received a DVD of Patricia King ministering at our World Convention in 2012. She brought a significant prophetic word and encouraging message about six months before Sister Gwen went to Heaven. Toward the end, she declared, "The Lord says, that you are in a beautiful season of preparation for departure... And so I speak the blessing and the goodness of the Lord over this season. And I thank You, Lord, for what You are going to do. And I believe the Lord is saying this year especially, prepare for Rosh HaShana and the Day of Atonement. **Prepare well this year, because what you do in preparation up to that time is actually going to set in motion what is going to be coming after that time, even for seven years.** And so, prepare well this year. It's a very important season in the Lord's calendar, I believe."

That seven-year period ended on the evening of September 29, 2019! We have entered a new era, so it's time for change.

We had an absolutely amazing time at the beginning of September at the **Sons of God Conference** with Bobby Conner and Etienne Blom. The recordings of these profound teachings are available. You may remember from our last letter² that Etienne had given us the word of the Lord at the World Convention that the End-Time Handmaidens need "a **FACELIFT**." At this event the Lord gave him another exhortation for us:

Now, I'm gonna drop a bomb. I am not afraid a quarter of a percentage to say, this is from God.

God wants change! I said at the World Conference, FACELIFT. And last night and this morning, I got taken into the Spirit and He showed me End-Time Handmaidens, and He said, "Change." And He put a label — He put a brand — He put a sticker across the name. He said, "It's not End-Time Handmaidens and Servants anymore."

I said, "Why, Lord, that is the vision — everything You gave Gwen Shaw."

He said, "Yes I did, but they aligned to 'end' not to handmaidens and servants."

I said, "Lord, what do you mean?"

2 If you missed it, you can find it on our website: <https://eth-s.org/main/quarterly-letter/>

He said, “Look at it: they missed two generations. Where are the youth?” He said, “When the ‘end’ means there’s an end, it’s going to stop. And the people aligned to the ‘end’ and they thought it’s only for old people.” This is “When I get to my end — my last days — that I become an end-time handmaiden and servant.” He said, “Where’s the next two generations?” He said, “It’s supposed to be Handmaidens and Servants. He said that the “end” needs to be annihilated because you attach to it with your DNA with your spiritual realm... and you’ll present it an image of [old]— and I say it in respect — nothing against any of you. Listen what the Lord says of an old person that’s in retirement that tries to align their lives and everything for the last few days on earth to walk in the glory one day. But the Lord said He did not call the handmaidens for preparing themselves for the end times, He did not prepare that. He said, “I prepared them to be sons of God to glorify and to let Me to release life.” So in the spiritual, you need to break the image of being old and useless. God does not look at age. He said, “a thousand years are like one day,” so in a real reality, you’re not even living a tenth of a day on Earth. So how can you call yourself old?

So what I want is the leadership and some of the directors that are here, go and pray. Things need to change — that image of old — of the end — needs to end right here now... God wants to restore the generations that are lost. You need to go and **live**. And you need to ask yourself, “Why aren’t they here?” You look at the movement all around the world — where are the youth? Who are taking over the baton? And it’s not the devil. Let’s be honest. That’s why I say it’s a bomb. Because we aligned to the word “the end.” It’s not the end. This is not even the beginning yet. This is a nothing yet. This is a drop in the ocean of eternity. And a realignment needs to take place. There needs to come a facelift — a facelift. It’s a new generation that you’re at. You need to walk the streets. You need to go into the nations. The youth needs to storm to the meetings: “We want what they have got, because—” can I tell you? You are some of the most anointed people on this earth. I see you together — I see you at the World Convention — some of the most anointed people on the earth. But most of you sitting here are praying, “Lord, I’m ready. You can come and fetch me.” Be honest! Most of you sitting here have prayed it, “Lord, I just had enough. Come and fetch me.” No! Can I tell you, you’re gonna get the fright of your life when you stand before Him, “Have you finished everything I’ve given you to do?” What are you going to say then?

It’s time for change. God wants to do a new thing in this movement. Believe me, He’s gonna blow you away if you allow Him and this is gonna be a challenge... I’m not manipulating. I’m not in witchcraft. It’s up to you now. You’ve heard it. What are you gonna do about it?

So — what are we going to do about it? Keep reading to know what the Holy Spirit is leading the leadership “to do about it.” Get ready to be challenged!

Argentina: Land of the Fire: About three days after the Sons of God Conference, Philip and I flew to Argentina for a six-city ministry tour in three weeks’ time. Argentina has been known for outpourings of the Holy Spirit. Before the Holy Spirit was poured out in Toronto and in Pensacola, some of the key people God used in those two places had gone to Argentina to catch the fire of God. The southernmost portion of inhabited land in Argentina is called *Tierra del Fuego*, “Land of Fire.” It was named that by Ferdinand Magellan, who saw the bonfires the natives had lit to stay warm in the ever-chilly climate of the most extreme southern portion of South America, only 620 miles from the Antarctic Peninsula.

Just days before we arrived, the Argentine *peso* was devalued again and the nation was in an uproar. It was just weeks before national elections and the situation was tense. The intercessors were activated. We preached a word of encouragement to fast and pray, telling Sister Gwen’s story of how fasting twenty-one days had given her an anointing of revival fire that fell wherever she went. In 1966 she heard that there was a great revival in Argentina and asked God to let her go there to participate in what He was doing in that land. One night in Buenos Aires, after a meeting where God had poured out His Spirit in a powerful way, she asked God why He would use her like that, considering her imperfections and mistakes. He told her that it was because He knew she would do anything He told her to do. She asked if that was all there was to it, and would He use anyone? He replied that **He would use anyone who would obey Him**. At that, she traveled for God to raise up 10,000 women who would obey God as she did, with an unconditional surrender and obedience. We encouraged the people that it only took one person getting the anointing to change a nation — Why not you?

While we were there, I kept noticing that when I would close a door behind me, it would often pop back open. It happened in hotels, restaurants, and in people’s homes. In our last hotel, it happened again. I was contemplating some words of complaint about Argentinian builders when I heard the still, small voice of the Holy Spirit whispering to me that it was an illustration of how He had opened doors to us in Argentina that couldn’t be closed! And truly that’s what we

found everywhere we went. We were welcomed warmly and led about seventy in their Handmaiden and Servant vows/ dedication prayer. About three hundred came forward for prayer to start a fast for the anointing of God on their lives.

Our connection with Argentina is an eternal one! When I was studying Spanish in Kingsway Missionary Institute in 1976-77, I wrote to Sister Gwen complaining about how I wanted to smuggle Bibles behind the Iron Curtain like she did. I knew that God had sent me there, but I really had no interest in the language or the people — I was afraid of them. She wrote me back a letter of encouragement, telling me how God had spoken to her years earlier, “If you want to see a great harvest, look to the Spanish-speaking nations.” So now the Iron Curtain is gone, but the Spanish Harvest is great!

While we were there, discussing God’s heart to move again in a great way upon Argentina, I remembered the vision Tommy Hicks had of the “giant” Body of Christ arising from it’s slumber. The illustration that we used the two times we printed it in our magazine shows the head arising from the south of Argentina. God is showing His plan to use that nation. I felt to include that vision in the “Prophetic Portion” of this letter.

A New Life: When we returned from Argentina with our hearts ablaze, we hit the ground running to prepare for the arrival of our granddaughter, Gabrielle Marie Saller, seven pounds, four point one ounces, born on October 12. Her parents, Timm and Heather, and her siblings, Mia, age eleven, Lucas, age nine, and Samuel, age three, have welcomed her warmly. She’s a real sweetie, and Grandma and Grandpa dote on her as much as possible, along with the other three, of course.

New Staff for the Bookstore: The Lord put it on the heart of ETH Tamera Johnson to come and help us with the Engeltal Bookstore. As we are still in the process of transitioning to QuickBooks, the book orders are still going out written by hand, but we expect to get computerized again soon. In the meantime, Tamera, Tabby Peter, Linda Gladman, Betty Bazzle, and Chris Lesch (who came all the way from Pennsylvania to help) took on the massive task of inventorying all of the bookstore, shipping room, warehouse, and Jasper Christian Bookstore. Thank you to you ladies! You are saints who have persevered and the Lord will reward you!

We are reopening the online store and we have included our **Christmas Special** in this letter. Our Christmas gift to you is **20% off of all Engeltal Press books and music CDs, and 10% off everything else in the store!** Giving anointed Christmas gifts can make a difference for eternity — a lot more than a sweater or socks or a Walmart gift card. In fact, we have **Engeltal Bookstore Gift Certificates**, so you can let your loved one choose! We are extending the sale through December 31, so a Christmas gift of a Gift Certificate in your loved one’s hands will still have the advantage of the discount!

A New Name to Enhance the Vision! When a message came from the White House to the Body of Christ to join in an Esther fast for the President, we felt to participate. We gave the staff the Monday and Tuesday off from work to seek the Lord. I spent most of my time in our chapel where the Presence of God is so strong. I also felt that during the fast I was to really seek the Lord about the changes that He wants for this ministry. Early one morning, I was reminded of a vision that Rona Spiropoulos had after the World Convention when we were debriefing and praying together about what the Lord meant for a “facelift.” She saw a shield with words going across it like a ribbon: “**Joel 2:28,**” and beneath the shield was the word, “**Mandate.**” When she first saw it, I objected that verse 29 wasn’t in the reference, since that’s the part about the handmaidens and servants. When I later tried to create an illustration for the vision, I added the “-29.” I later repented for my foolishness to add to what the Lord gave, as though He didn’t have it right! I had been pondering if the Lord was saying that we were to move from being servants and handmaidens to being sons and daughters.

That morning as I waited on the Lord, I meditated on Joel 2:28. “And it shall come to pass afterward, that **I will pour out My spirit upon all flesh;** and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions.” I realized that the sons and daughters prophesying, and the old men dreaming dreams, and the young men seeing visions were results of the OUTPOURING. The key action in the verse is the outpouring of the Holy Spirit that initiates the rest. The Greek version from Acts 2:17 could be translated, “I will pour out of the Spirit of Me”! So I wondered, is this about our new name? Are we supposed to change the name to something about the outpouring? I thought perhaps it should be “Outpouring International.” Then I wanted to know if we were supposed to completely leave behind the name End-Time Handmaidens and Servants, and what about membership?

The word of the Lord to Sister Gwen in 1970 was, “You are raised up of God to call out the End-Time Handmaidens.” Then in 1976, the Lord spoke to me as I was listening to Sister Gwen preach, “You will take her place when she’s gone.” So I was wondering, “What now, Lord? Do we keep on calling out the Handmaidens and Servants, or is that over?” So I continued waiting on the Lord that morning and I wrote down what He spoke to me in my journal. I have included it in the “Prophetic Portion” of this letter.

I have been saying for years that if we as End-Time Handmaidens and Servants don't intercede for the Outpouring, who will? It's a part of our theme scripture. As I was talking with Marylois Little about the change, I felt that we must 1) Intercede for the Outpouring, 2) Equip for the Outpouring, and 3) Participate in the Outpouring. Sister Gwen was a revivalist, and revival is in our spiritual DNA.

The Wisdom of Advisors: As I prayed about it for days, I shared with my husband and prince, Philip, and was anxious to share with Sigi and David Oblander when they came later that week. Sigi was one of the original founders of this ministry, and David had also been on staff in the very early days. I felt it was critical to get their input. They felt it was of the Lord, and Sigi even commented that she felt a couple of years ago that a name change would be good.

We shared it with the Board of Directors and all agreed that we should pursue the Lord in prayer about it, feeling it would be a good move. Don James, an advisor to the Board, felt we should consider "Global Outpouring" instead of "Outpouring International." Upon researching the difference in those two words, we learned that "international" could mean interaction between as few as two nations (an international airport might have one flight to Mexico), but "global" means, "involving the whole earth..." (www.thefreedictionary.com/global). After two more days of prayer, the Board unanimously adopted "Global Outpouring" as a DBA (Doing Business As) name under the corporation of End-Time Handmaidens Inc. We registered the name with the Arkansas Secretary of State, and obtained the Internet domain names GlobalOutpouring.com, .org, .net, and .us. We intend to design a new website to reflect the change. We are working on a new logo too. Watch for new letterhead next quarter!

New Level of Intercession: I have been re-reading *Rees Howells Intercessor* in recent weeks. One of the things he spoke about intercession was that it was basically comprised of three parts: 1) Identification, 2) Agony, and 3) Authority. Intercession requires that the intercessor identify with the one for whom he/she is interceding. One of the intercessions that God gave Rees Howells was for the child widows of India who were cast-offs of society. To identify with them, and as a part of the agony of intercession, God instructed him to eat only one bowl of oats in two days, as the widows only got one bowl of rice that often. He had to "die" to his flesh to obey, but grew to love it as he overcame.

As I pondered this mandate to intercede for the Outpouring, I wondered if we were to actually identify with the Lord, as He is the subject Who longs to pour out of His Spirit. When I spoke with Dr. Sam Matthews, he taught me that in any intercession, the goal is "to identify with the Christ in His burden." This promise of the Outpouring is definitely on His heart, and our agony will come as we groan and travail, and as we obey His instructions that will help to decrease our flesh so that His Spirit can increase in us. As we overcome our flesh and walk in the delight of obedience out of love for Him, He loads us up with the authority to speak the word of the Lord to the situation as He directs. Dr. Matthews also felt the name change was from the Lord. Since we announced it last Friday Night, we have had so many confirmations from ETH&S who are resonating with it.

New Equipping: We have felt for some time that we needed to have more training events in Engeltal. Recently I was able to connect with Dr. Tony Kemp who spoke at our World Convention. He will be coming here March 25-27, 2020 for some days of equipping in the deep things of the Holy Spirit. You won't want to miss this! We are also waiting on Bobby Conner and Etienne Blom to give us dates for the 2020 Sons of God Conference. And we are working on a new venue for the World Convention. We will be announcing it soon. Watch our website and/or Facebook page.

Summing It Up: So we will continue to operate under the name End-Time Handmaidens Inc. for official/legal business, but we will move forward with the name Global Outpouring as a ministry. We will still be intercessors. We will still have a heart for the nations. But enhancing our vision, changing our focus to knowing the Lord and His heart for the Outpouring, will multiply the success of our prayers and ministry endeavors. Begin to pray about joining us for an All India Convention November 28-December 10, 2020. It's a new era! This is not a sprint, this is a marathon, and we have to "get in shape" to be able to maintain the maximum sustainable speed as we step into greater glory each day, from glory to glory.

Your handmaiden,

Sharon E. Buss

Prophetic Portion

New Focus for End-Time Handmaidens and Servants

The word of the Lord to Sharon Buss November 14, 2019.

Heretofore your focus has been on Joel 2:29: the outpouring of My Spirit on the handmaidens and servants, and the resulting prophetic utterances.

I am calling you to broaden your vision, to “enlarge the place of your tent,” to “stretch forth the curtains of your habitations” [Isaiah 54:2]. I’m calling you to “spare not”¹ — do not hold back — spare no effort — restrain not — do not keep for yourself or keep from Me. “Lengthen your tent ropes and drive your stakes deep” [Berean Study Bible].

Your focus must not only be on raising up the laborers — the handmaidens and servants — but to focus on the outpouring itself on all flesh. The results of prophesying sons and daughters, servants and handmaidens, and visions and dreams on the young and old will take place, but I want you to focus on Me. I will pour out of the Spirit of Me.

Align yourself, your heart, your mind, your emotions, your expectations with Mine. The day of Pentecost was just the beginning. What took place there was the seed of the dream I have — My ultimate intention. The book of Acts was the microcosm of the “all flesh outpouring” I am about to do.

When you focus on Me and My plan, the details will fall into place as I lead you. The results will be beyond your imagination. It will be like the book of Acts on steroids. But don’t focus on the results. Focus on Me.

I am going to pour out of My Spirit — the Spirit of Me. You must follow on to know Me [Hosea 6:3, “Then shall we know, if we follow on to know the

¹ Strong’s H2820 - *chasak*. First used in Genesis 22:12 where God commends Abraham because he didn’t withhold his only son from Him.

LORD: His going forth is prepared as the morning; and He shall come unto us as the rain, as the latter and former rain unto the earth”]. I will pour out My rain of righteousness on you as you seek Me.²

You will still call My people to fast and to dedicate themselves to Me. The training of revivalists will be largely focused on knowing Me, hearing My voice and obeying, letting My Rivers of Living Waters flow forth from My dwelling place within them.

Who you are, your identity, will be determined by your identification with Me. My Body will naturally/ supernaturally align with Me, and those of like experience in Me will cluster together to perform their functions in the Body.

I am calling this ministry to align with My heart as a part of the cardiopulmonary system to My Body. You will carry My Life, My Breath, My Spirit to all parts of the Body, even as the blood carries oxygen and nutrients to the natural body. You will also be used by Me to carry away toxins and kill foreign “microbes” that would cause damage to My Body.

The success of this “blood” ministry will be in focusing on My heart, even as the natural blood must pass twice through the heart: once to be pumped to the lungs and then the second time out to the body to deliver its cargo at the cellular/capillary level.

You [the ministry] will carry My Spirit, My Love (*agapé*), My Word (Bread of Life) throughout the nations to nourish hungry souls and give them Life. You will teach them to access Me personally for themselves, to walk with Me in the fullness of the New Covenant. You will teach them to worship and be “boots on the ground” on Earth while they are simultaneously seated with Me in Heaven.

² “Sow to yourselves in righteousness, reap in mercy; break up your fallow ground: for it is time to seek the LORD, till he come and rain righteousness upon you” (Hosea 10:12 KJV).

Vision of the Body of Christ

In 1954, Tommy Hicks was led by the Lord to Buenos Aires, Argentina, to hold an evangelistic campaign of 60 days. It was estimated that six million people, an average of 100,000 nightly, heard the real Gospel with signs following. Never before in the history of Argentina was there such a response. Tommy Hicks wanted to use the biggest stadium there was, but no one could believe so large a facility would be needed. He obtained it by a miracle. He had asked to see the ruler of Argentina, Juan Peron. When he went to the palace, he prayed for the guard. Instantly healed, the man said he would arrange for him to see Peron, who had a terrible disfiguring disease. When God healed Peron instantly, he granted the request for the stadium and thus began the revival.

On July 25, 1961, at 2:30 a.m. In Winnipeg, Canada, Tommy Hicks was given a great vision of the Body of Christ in the end times.

I had hardly fallen asleep when the vision and the revelation that God gave me came before me. The vision came three times, exactly in detail, the morning of July 25, 1961. I was so stirred and so moved by the revelation that this has changed my complete outlook upon the body of Christ, and upon the end-time ministries.

The greatest thing that the church of Jesus Christ has ever been given lies straight ahead. It is so hard to help men and women to realize and understand the thing that God is trying to give his people in the end times. I received a letter several weeks ago from one of our native evangelists down in Africa, down in Nairobi. This man and his wife were on their way to Tanganyika. They could neither read nor could they write, but we had been supporting them for over two years. As they entered into the territory of Tanganyika, they came across a small village. The entire village was evacuating because of a plague that had hit the village. He came across natives that were weeping, and he asked them what was wrong. They told him of their mother and father who had suddenly died, and they had been dead for three days. They had to leave. They were afraid to go in; they were leaving them in the cottage. He turned and asked them where they were. They pointed to the hut and he asked them to go with him, but they refused. They were afraid to go.

The native and his wife went to this little cottage and entered in where the man and woman had been dead for three days. He simply stretched forth his hand in the name of the Lord Jesus Christ, and spoke the man's name and the woman's name and said, "In the name of the Lord Jesus Christ, I command life to come back to your bodies." Instantaneously these two heathen people who had never

known Jesus Christ as their Savior sat up and immediately began to praise God. The spirit and the power of God came into the life of those people.

To us that may seem strange and a phenomenon, but that is the beginning of these end-time ministries. God is going to take the do-nothings, the nobodies, the unheard-of, the no-accounts. He is going to take every man and every woman and He is going to give to them this outpouring of the Spirit of God.

"I Will Pour Out My Spirit upon All Flesh"

In the book of Acts we read that "In the last days," God said, "I will pour out my Spirit upon all flesh." I wonder if we realized what He meant when God said, "I will pour out my Spirit upon all flesh." I do not think I fully realized nor could I understand the fullness of it, and then I read from the book of Joel: "Be glad then, ye children of Zion, and rejoice in the Lord your God: for He hath given you the former rain moderately, and He will cause to come down for you the rain, the former rain, and the latter rain" (Joel 2:23). It is not only going to be the rain, the former rain and the latter rain, but He is going to give to His people in these last days a double portion of the power of God!

The Vision of a Great Giant

As the vision appeared to me after I was asleep, I suddenly found myself in a great high distance. Where I was, I do not know. But I was looking down upon the earth. Suddenly the whole earth came into my view. Every nation, every kindred, every tongue came before my sight from the east and the west, the north and the south. I recognized every country and many cities that I had been in, and I was almost in fear and trembling as I beheld the great sight before me: and at that moment when the world came into view, it began to lightning and thunder.

As the lightning flashed over the face of the earth, my eyes went downward and I was facing the north. Suddenly I beheld what looked like a great giant, and as I stared and looked at it, I was almost bewildered by the sight. It was so gigantic and so great. His feet seemed to reach to the north pole and his head to the south. Its arms were stretched from sea to sea. I could not even begin to understand whether this be a mountain or this be a giant, but as I watched, I suddenly beheld a great giant. I could see his head was struggling for life. He wanted to live, but his body was covered with debris from head to foot, and at times this great giant would move his body and act as though it would even raise up at times. And when it did, thousands of little creatures seemed to run

away. Hideous creatures would run away from this giant, and when he would become calm, they would come back.

All of a sudden this great giant lifted his hand towards heaven, and then it lifted its other hand, and when it did these creatures by the thousands seemed to flee away from this giant and go into the darkness of the night. Slowly this great giant began to rise and as he did, his head and hands went into the clouds. As he rose to his feet he seemed to have cleansed himself from the debris and filth that was upon him, and he began to raise his hands into the heavens as though praising the Lord, and as he raised his hands, they went even unto the clouds.

The Great Rain

Suddenly, every cloud became silver, the most beautiful silver I have ever known. As I watched this phenomenon it was so great I could not even begin to understand what it all meant. I was so stirred as I watched it, and I cried unto the Lord and I said, “Oh Lord, what is the meaning of this.” and I felt as if I was actually in the Spirit and I could feel the Presence of the Lord even as I was asleep.

And from those clouds suddenly there came great drops of liquid light raining down upon this mighty giant, and slowly, slowly, this giant began to melt, began to sink itself in the very earth itself, and as he melted, his whole form seemed to have melted upon the face of the earth, and this great rain began to come down. Liquid drops of light began to flood the very earth itself and as I watched this giant that seemed to melt, suddenly it became millions of people over the face of the earth. As I beheld the sight before me, people stood up all over the world! They were lifting their hands and they were praising the Lord.

At that very moment there came a great thunder that seemed to roar from the heavens. I turned my eyes toward the heavens and suddenly I saw a figure in white, in glistening white—the most glorious thing that I have ever seen in my entire life. I did not see the face, but somehow I knew it was the Lord Jesus Christ, and he stretched forth His hand, and as He did, He would stretch it forth to one, and to another, and to another. And as He stretched forth His hand upon the nations and the people of the world, men and women, as He pointed toward them. This liquid light seemed to flow from His hands into them, and a mighty anointing of God came upon them, and those people began to go forth in the name of the Lord.

I do not know how long I watched it. It seemed it went into days and weeks and months. And I beheld this Christ as He continued to stretch forth His hand; but there was a tragedy. There were many people as He stretched forth His hand that refused the anointing of God and the call of God. I saw men and women that I knew. People that I felt would certainly receive the call of God. But as He stretched forth

His hand toward this one and toward that one, they simply bowed their head and began to back away. And each of those that seemed to bow down and back away, seemed to go into darkness. Blackness seemed to swallow them everywhere.

I was bewildered as I watched it, but these people that He had anointed, hundreds of thousands of people all over the world, in Africa, England, Russia, China, America, all over the world — the anointing of God was upon these people as they went forward in the name of the Lord. I saw these men and women as they went forth. They were ditch diggers, they were washerwomen, they were rich men, they were poor men. I saw people who were bound with paralysis and sickness and blindness and deafness. As the Lord stretched forth to give them this anointing, they became well, they became healed, and they went forth!

Doing the Works of the Lord

And this is the miracle of it — this is the glorious miracle of it — those people would stretch forth their hands exactly as the Lord did, and it seemed as if there was this same liquid fire in their hands. As they stretched forth their hands they said, “According to my word, be thou made whole.”

As these people continued in this mighty end-time ministry, I did not fully realize what it was, and I looked to the Lord and said, “What is the meaning of this?” And He said, “This is that which I will do in the last days. I will restore all that the cankerworm, the palmerworm, the caterpillar — I will restore all that they have destroyed. This, My people, in the end times will go forth. As a mighty army shall they sweep over the face of the earth.”

As I was at this great height, I could behold the whole world. I watched these people as they were going to and fro over the face of the earth. Suddenly there was a man in Africa and in a moment he was transported by the Spirit of God, and perhaps he was in Russia, or China or America or some other place, and vice versa. All over the world these people went, and they came through fire, and through pestilence, and through famine. Neither fire nor persecution — nothing seemed to stop them.

Angry mobs came to them with swords and with guns. And like Jesus, they passed through the multitudes and they could not find them. But they went forth in the name of the Lord, and everywhere they stretched forth their hands, the sick were healed, the blind eyes were opened. There was not a long prayer. And after I had reviewed the vision many times in my mind, and I thought about it many times, I realised that I never saw a church, and I never saw or heard a denomination, but these people were going in the name of the Lord of Hosts. Hallelujah!

As they marched forth in everything they did as the ministry of Christ in the end times, these people were ministering to the multitudes over the face of the earth. Tens

of thousands, even millions seemed to come to the Lord Jesus Christ as these people stood forth and gave the message of the Kingdom, of the coming Kingdom, in this last hour. It was so glorious, but it seems as though there were those that rebelled, and they would become angry and they tried to attack those workers that were giving the message.

God is going to give the world a demonstration in this last hour as the world has never known. These men and women are of all walks of life; degrees will mean nothing. I saw these workers as they were going over the face of the earth. When one would stumble and fall, another would come and pick him up. There were no “big I” and “little you,” but every mountain was brought low and every valley was exalted. And they seemed to have one thing in common: there was a divine love, a divine love that seemed to flow forth from these people as they worked together, and as they lived together. It was the most glorious sight that I have ever known. Jesus Christ was the theme of their life. They continued and it seemed the days went by as I stood and beheld this sight. I could only cry, and sometimes I laughed. It was so wonderful as these people went throughout the face of the whole earth, bringing forth in this last end time.

As I watched from the very heaven itself, there were times when great deluges of this liquid light seemed to fall upon great congregations, and that congregation would lift up their hands and seemingly praise God for hours and even days as the Spirit of God came upon them. God said, “I will pour My Spirit upon all flesh,” and that is exactly this thing. And to every man and every woman that received this power, and the anointing of God, the miracles of God — there was no ending to it.

We have talked about miracles. We have talked about signs and wonders, but I could not help but weep as I read again this morning, at 4 o’clock this morning the letter from our native workers. This is only the evidence of the beginning for one man, a “do-nothing, an unheard-of,” who would go and stretch forth his hand and say, “In the name of the Lord Jesus Christ, I command life to flow into your body.” I dropped to my knees and began to pray again, and I said, “Lord, I know that this time is coming soon!”

And then again, as these people were going about the face of the earth, a great persecution seemed to come from every angle.

The Bride of Christ

Suddenly there was another great clap of thunder that seemed to resound around the world, and I heard again the voice, the voice that seemed to speak, “Now this is My people. This is My beloved bride.” And when the voice spoke, I looked upon the earth and I could see the lakes and the mountains. The graves were opened and people from all over the world, the saints of all ages, seemed to be rising.

And as they rose from the grave, suddenly all these people came from every direction. From the east and the west, from the north and the south, and they seemed to be forming again this gigantic body. As the dead in Christ seemed to be rising first, I could hardly comprehend it. It was so marvellous. It was so far beyond anything I could ever dream or think of.

But as this body suddenly began to form, and take shape again, it took shape again in the form of this mighty giant, but this time it was different. It was arrayed in the most beautiful, gorgeous white. Its garments were without spot or wrinkle as its body began to form, and the people of all ages seemed to be gathered into this body, and slowly, slowly, as it began to form up into the very heavens, suddenly from the heavens above, the Lord Jesus came, and became the head, and I heard another clap of thunder that said, “This is My beloved bride for whom I have waited. She will come forth even tried by fire. This is she that I have loved from the beginning of time.”

Wrath and Destruction

As I watched, my eyes suddenly turned to the far north, and I saw seemingly destruction: men and women in anguish and crying out, and buildings in destruction. Then I heard again, the fourth voice that said, “Now is My wrath being poured out upon the face of the earth.” From the ends of the whole world, the wrath of God seemed to be poured out and it seemed that there were great vials of God’s wrath being poured out upon the face of the earth. I can remember it as though it happened a moment ago. I shook and trembled as I beheld the awful sight of seeing the cities, and whole nations going down into destruction.

I could hear the weeping and wailing. I could hear people crying. They seemed to cry as they went into caves, but the caves in the mountains opened up. They leaped into water, but the water would not drown them. There was nothing that could destroy them. They were wanting to take their lives, but they could not. Then again I turned my eyes to this glorious sight, this body arrayed in beautiful, white, shining garments. Slowly, slowly, it began to lift from the earth, and as it did, I awoke. What a sight I had beheld! I had seen the end-time ministries — the last hour. Again on July 27, at 2:30 in the morning, the same revelation, the same vision came again exactly as it did before.

My life has been changed as I realised that we are living in that end time, for all over the world God is anointing men and women with this ministry. It will not be doctrine. It will not be a “churchianity.” It is going to be Jesus Christ.
