1st Quarter, 2019

Beloved,

Loving greetings from the Valley of Angels! We are so excited about all that the Lord is doing in this new year!

Divine Strategies for These Times: Recently I was praying through a prophetic word given by Lana Vawser for 2019. In her letter she stated, “I heard the Lord say: ‘The increase of **divine strategy** I will release in 2019 will be like nothing you have EVER seen before. There will be an even greater need in 2019 to live in heavenly strategy than the strategy of earth....The WINDS OF VELOCITY are going to significantly increase in 2019 and take completely new directions and heavenly strategy will be needed more than EVER before to STEWARD these winds that will come upon My Church. **2019 will be a year of greater ESTABLISHMENT of things I am building by My hand, and a year of the divine rearrange of things not built by My hand.** For I am releasing such significant acceleration and momentum in 2019, but it is not to be taken LIGHTLY. For what I am releasing in 2019 is so significant it will impact history from this point on.’ I was surrounded by an urgency in the spirit to **accept the invitation of heaven to move into divine strategy** unlike anything I had ever experienced before. I was surrounded by the weighty fear of God that what He is about to do and release upon the earth is SO weighty, SO significant, it CANNOT be treated lightly and that His divine strategy and blueprint must be followed to steward it well.

“He thundered over 2019: ‘2019 — THE YEAR OF JEREMIAH 33:3 — THE YEAR TO ASK! Call to Me and I will answer you, and will tell you great and hidden things that you have not known.’ — Jeremiah 33:3 (ESV). What He is going to show you, speak to you, release to you, reveal to you in 2019 are going to be things you have NEVER seen. They will be hidden things you have NEVER known. He will share the secrets of His heart and such weighty, deep, beautiful revelatory secrets of His heart and Word with you in 2019 that will be double of what you have walked in, in 2018. But there is a KEY; the KEY is to ‘ASK.’ Be very intentional in 2019 to ask the Lord what is on His heart. ASK for His blueprints. ASK for His wisdom. ASK for His strategy. ASK for His eyes to see....”

Asking for Divine Strategies: We had been asking the Lord for months about what His heart was for the theme of the upcoming World Convention. Then as I was praying through the above word for the second time, I understood that He was saying that He was going to release “**Divine Strategies for These Times.**” As we gather this year in Springdale, Arkansas, **July 1-5**, we will function in the synergy of the anointing that the End-Time Handmaidens and Servants carry because of their fasting. The Presence of the Lord will again come near in such a gathering of His dedicated ones. And I believe He will release DIVINE STRATEGIES to us in that atmosphere. More on the Convention later in this letter. In the meantime, we are already pressing in for His strategies, and He is clearly releasing them as we wait on Him!

Divine Strategies for Missions: As we have been watching and waiting on Him over the last months and even years, it seems that the promises have been there, but we weren’t seeing His timing for those things coming to pass. And the last so many months we have felt as though we were just in a holding pattern, not daring to start anything new without clear orders. Then, suddenly, once we crossed into 2019, as we continued to ask for guidance, it began to pour in! But I’m getting ahead of myself!

Philip and I didn’t travel much the last several months. We have had some changes going on in our staff, and we felt we should stay close to home. Bill Devlin heard from the Lord that it was time for him to return to Niagara Falls to be near his family, and Mike Heimlicher received the peace of the Lord to go there too. We blessed them in their journey, and Marylois has stepped up to run the bookstore until she and Gene return to Israel in March. Please pray with us for the right person to step into that office as we move forward.

Around three or four months ago, I clearly heard the Holy Spirit say, “Don’t delay your international travel!” So I said “yes” and waited for the orders of where that would be. Then on January 5, I was led of the Lord to call Diane Murgage who has been taking care of the details for our Himalayan Handmaidens and Servants since our beloved Charlen Logemann has been in ill health. Diane reminded me that it has been three years since anyone visited these dear souls

“And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy ...and on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy.” (Acts 2:17, 18)

who are on the front lines for Jesus where we cannot go. (Glenn and Charlen went there yearly until their last trip in 2016, a few months before Glenn passed into Glory.) She also reminded me that February is a good time to go. So the Lord dropped it into my spirit that this is our first assignment. The Lord has assembled a team of six of our staff to go to India to minister to the Himalayans as well as others in other regions. We will be splitting up to cover more territory in both the north and the south.

March Prayer Assignment: We have been walking very softly before the Lord not to make any plans without His leading. The past three years we have taken groups to Israel in March on prayer assignments to fulfil the mandate of the Lord. These have been a tremendous blessing and the local prayer team in Jerusalem that meets weekly at the House of Peace has been begging us to allow them to go along on the assignments. As we waited and waited and waited to hear from God this time, considering the lateness of the time and Marylois being occupied in the bookstore, we just couldn't see any way to do what we've been doing. Yet it was so clear in our spirits that "old orders stand until new orders are given," so we didn't have any freedom to plan anything else. We felt like we still should plan to go to Israel. Then in one day it all came together — we realized that we were to take the local prayer warriors on a prayer assignment! God mapped it out for us in three hours time and it's all falling together, glory to His Name!

Other Nations: So as we have continued to wait on God, He is giving us orders for going to the Philippines, Canada, and Argentina this year, in addition to ministry in the United States. Please pray with us as the missions increase that we will have the support we need in that department to do all that God is calling us to do without losing the support for the home base. Sometimes when we make an appeal, people shift their giving from the "wherever needed" category that pays for food, electricity, etc. to cover the special additional need. Will you touch and agree with us for ample supply so that we can pay for the air tickets to obey God and be able to be generous to those to whom God sends us? ASK God to multiply the missions fund!

Divine Strategies for 2019: I would like to share with you something I received in my journal as I was waiting on God on January 2, 2019.

My mind is picturing police on motorcycles and the focus goes to their helmets. I am drawn to consider the new technologies that have been developed for stronger, lighter, more protective, bulletproof materials. Helmets and vests are now lighter weight, but give better protection.

In 2019 prepare yourselves in the spirit for the battles ahead by investing time and focus into prayer and meditation with the Holy Spirit. This will strengthen your armor with a new "faith substance" that is being released in this new season and era.

Your enemy, the accuser, the Forever Loser, has planned new strategies. Just like the Philistines bringing out Goliath with his mocking challenge was a new strategy in its time, so have the powers of the Forever Loser's team mustered new strategies to weaken the resolve of the Church with fear.

In this time now, I am preparing a remnant of "Davids" who are engaging Me in worship and target practice with "bears" and "lions," building their relationship with and confidence in Me. They will know Me well enough to become incensed with righteous indignation over the strategy that will shortly arise from the Loser's camp. They will fearlessly stride into the battlefield to confront the gigantic foe and bring it down with their tried and true weapons that are smaller and more lightweight than expected. They will vanquish the strong man and awaken the ranks of their brethren to chase down and defeat the Losers.

I am calling you to the shepherds' fields in this season. David pastured his father's sheep in the same field where Ruth met Boaz and where the angels later brought good tidings of great joy.

You are living in a place of a Fountain of Living Water, a Revival Center. Press into My Presence in the coming days for the release of the fresh anointing and artesian "gusher" that will usher in revival, awakening, and reformation. As you press in, I will equip you with new, effective weapons in the Spirit and prepare you for My role for you in the coming move. This applies throughout the ranks of this ministry. Press in like never before. The pasture of the sheep will become the harvest fields.

Divine Strategies for Apostolic Women: As I was waiting on the Lord recently, He revealed this word: This is the day for apostolic women to arise. My Deborahs must arise and judge by their palm trees. They must speak My word to the Baraks whom I have raised up to defeat mighty, intimidating foes. They must raise their voices to proclaim My victories.

My Esthers must arise to touch the scepters of kings to move them to righteous judgments. They must fast with their handmaidens to receive My strategies for overcoming the dark plots and plans of their enemies who are bent on their destruction.

I have sent these apostolic women into the earth to be raised up in these days of the casting down to earth of the old serpent. They have the honour of leading and joining with all of my saints — the meek who have been beautified by My Yeshua — as they perform Psalm 149. They will praise Me gloriously, showing forth My radiance with abandoned, exuberant boasting of My greatness. They will sing new, fresh, unheard, joyful songs, exalting Me with praise in the gathering of My dedicated people.

They will join with Israel, rejoicing in Me, their Maker. They will accompany My Children of Zion in their rejoicing circle dances before Me, while praising My name. These apostolic women will lead out like Miriam with her tambourine, singing and playing their praises on their instruments to celebrate My greatness and My victories.

I take pleasure and delight in My people — I love them, and I adorn these meek ones who prefer to bear the injuries of others than to return them. I adorn them with the character of My Son.

These apostolic women will encourage My dedicated ones to rejoice, triumphantly exalting in My Glory. They will encourage them to sing aloud to Me, even shouting for joy, with ringing voices in their bedrooms — in the places where they draw near to Me in their devotion.

These apostolic women will lead the dedicated ones with their entire vocal systems vibrating with exultant praises, lifting Me up to center attention. Their hands will wield two-edged swords in their authoritative warfare, devouring the darkness as they go forth to battle. Because My Spirit lives in them and they have studied My Word to show themselves approved to Me, they will speak My Word at an instant, and it will shoot out of them like lightning, piercing the darkness and executing My vengeance upon every opposing force and resistant power.

My angels stand ready and waiting to hear My Word from the mouths of My children. When My apostolic women and My dedicated ones allow My Holy Spirit to speak My Word, calling for My justice and judgments, My angels will go to war to accomplish My purposes and bring My punishments upon every opposing force and resistant power. The angels will be reinforced through the authoritative praises of My dedicated ones to chain kings and rulers with iron shackles.

All My dedicated ones have the honour to participate with their words of agreement with My Word that produces and brings into manifestation all that I have decreed, even that which has been written in the Scrolls of My Hidden Counsels since before I said, “Let there be Light!”

So I call you to participate with Me. Spend time with Me. Take authority over your wandering thoughts and disdain the cares of this world and the deceitfulness of riches that would try to distract you. Disdain everything that has no eternal value that tries to occupy your time and attention. Look to Me. Let Me show you how I see those things. Let Me give you My heart for lost souls. Just keep your interests and talents in balance in My Presence and I will use them to bait and catch the “fish.” Walk in My Spirit and help Me raise up My apostolic women!

41st World Convention! We are excited and full of expectation of what **Divine Strategies for These Times** that the Lord is going to release to us during this amazing event, **July 1-5 in the Holiday Inn and Northwest Arkansas Convention Center in Springdale, Arkansas!** The Lord calls each time to us to “come away, My beloved,” as the Bridegroom of the Song of Solomon. And this year as we come aside with Him, we are expecting more than ever to receive the grace to arise and shine in His glorious light!

This bridal call reaches from the heart of the Bridegroom into the heart of the Warrior Bride. She knows she is called to align herself with the heart of her King and press the battle to the gates of hell to deliver the captives from deception. His Glory will reveal His “**Divine Strategies for These Times,**” and we will agree together in worship and intercession as the Holy Spirit leads through anointed preaching, teaching, and exhortation.

We feel that this year we are being called to gather on this momentous 41st occasion to receive an outpouring of His Glory to equip us to affect change in the nations through persistent prayer. It’s time for the **OUTPOURING!** It’s time for the **HARVEST!** He may even send us there by physical travel, on our knees in intercession, or by “Philip’s Airlines” translation. That face-to-face meeting with Him causes us to lay aside everything that has kept us from the fullness of

our destiny. You won't ever want to tell Him, "no" again once He has held you in His Divine Glory embrace, for He will impart to you the vision of His heart for your place and purpose in His Divine Plan! Make your plans to be there!

We realize that it is sometimes more expensive to fly into Northwest Arkansas Regional Airport (XNA), (although there are a few discounted seats if you shop early), and so the hotel is making a very special offer: **the first 50 rooms to be occupied by individuals who fly in will receive a 6th night free.** If you are flying, call (479) 751-8300 to register for this special and give them your flight details as soon as you have made them. If you are planning to drive, you can go to our website: www.eth-s.org/convention and click on the "Registration and Hotel" button to make reservations online. You can go there to register also.

We are planning a wonderful closing banquet that will be \$32 and children through age 12 will have a "kid's meal" available for \$19. Holding the banquet helps to defray the costs of the Convention Center, and it's a lovely way to fellowship with those with whom we have been worshipping and interceding all week.

Find one or more others who are hungry for God and bring them with you! This may be the life-changing event they've been looking for! Start planning now, and start saving now.

Thank You! We are continually thankful for your heartfelt prayers and financial support! May the Glory of the Lord overflow in your life, your loved ones, and all that concerns you, bringing health, strength, and the Lord's loving Presence.

Your handmaiden,

Sharon E. Buss

Prophetic Portion

A Vision from the Courtroom of Heaven

Maurice Sklar, Thursday, December 27, 2018

I had a vision/prophetic experience as I was eating lunch recently. Suddenly a portal opened in the spirit realm and my angel said to me, “You are summoned to come to the Courtroom of Heaven. You are to record the case being tried now, so that God’s people will know the lateness of the hour. You must warn them so that the Bride may awaken and take heed! The time is short!”

Called as a Court Recorder: I was escorted by two angels to a seat on the left side, down front, of the Supreme Courtroom. There were many hundreds of angels and saints already seated before the Bench. I was surprised how much it looked like our Supreme Courtroom in America, except it was much larger. It looked more like a giant arena with thousands of seats ascending up as far as I could see. There were five big leather “lawyer-like” chairs with wings on each side in the front row. They reminded me very much of the kind of chairs my father always sat in behind his desk at his law firm years ago. There were gold-embossed cards on them that said, “Recorder,” on all five of these chairs. I must have been the first to arrive, and I was ushered into the one closest to the Bench. I sat down and sunk into this really comfortable chair and was handed a pen and a small scroll. I was curious as I looked at it, for it looked really old-fashioned. The pen was a feather quill with an old fashioned nib like a fountain pen at the bottom to write with. The “pad” was a scroll that was made out of parchment. It would open automatically as you wrote upon it when you got to the bottom of the page. It was kind of like an iPad that looked like a small Torah scroll at the same time. The angel showed me how it worked, it was extremely easy to hold and write on. When I would start to write, it would write whatever I thought of in perfect calligraphy script as fast as I thought it! The nib seemed to just fly over the parchment with ease in my hand. It would write whatever the angel put into my mind from what I saw and heard to record, and then would describe perfectly any other information the Holy Spirit deemed important in an instant as it happened. It was the easiest thing I’ve ever written, it seemed to do all the work without my thinking or trying. I think this must be Heaven’s way of court/legal stenography! Most amazing of all, I was writing in Hebrew, and I hardly know the language at all! But, somehow, I understood and thought in fluent Hebrew during this vision. I cannot offer any explanation for this at all.

The angel said, “You are one of five prophet Recorders that have been summoned from the earth to chronicle and witness this trial soon to begin. Just let the pen flow over the parchment and it will be a witness to the proceedings. Then, you will sign it when it is finished, and it will be added to the Eternal Ledger of Legal Proceedings.”

Soon, the other four recorders were seated and shown how to write as I was. I recognized one of them as a current prophet on earth. He was the only other from the Western world. I cannot speak of whom it was at this time and the other three of them were not known to me. We were all different races from different regions of the earth. One was a Chinese woman of great age, who just glowed with the wisdom and love of God. We were dressed in black robes, with red border sashes on the sides and the sleeves. The other prophet/recorder was a lady from Africa who had a headdress that wrapped around her head which flashed rays of light whenever she moved. She spoke and wrote in French, I believe. The fifth was a man from South America. I was given a *yarmulka* of golden color. It had twelve ruby stones around it. (God called me to wear a *yarmulka* whenever I minister on earth, so I wasn’t surprised that I had one to wear here). When the angel put it on my head I could feel the weight of it like it was made out of actual metal/gold, even though it felt soft to the touch — like silk.

Everyone finally assembled and a great and beautiful Angel named “Justice,” who presided over the courtroom, stood up. She seemed to tower over us and was about 20 feet tall! Then angels appeared with long trumpets on either side of the courtroom and sounded a fanfare that ended with a blast. The Angel Justice then shouted with a very loud, but soprano, Voice: “ALL RISE! The Honorable Ancient of Days, The Judge of all Creation, The King of the Ages, The Most High LORD Almighty is Present and PRESIDING!!”

We all stood up exactly at the same time in unison. Then the most awesome sound of praise and worship filled the atmosphere as we all began to praise His Glorious Majesty together. I have never experienced such a sense of awe as the Fear of the LORD filled the Court! It was only then that I could just make out who was seated behind the Holy Bar.

* A *yarmulka* is a small, brimless cap worn by Jewish men. Also known as a *kippah*.

There were not nine judges, but twelve. God the Father sat in the middle with six of the Supreme Court Judges on both sides of Him. I somehow knew He was the final deciding vote in every decision. After our praises finished, the Angel Justice, whom I now saw was a “Lady” and not a “male” Angel, shouted: “Be Seated! The High Court is now in session. She was standing just in front of His Throne. She had a golden gavel and struck a giant crystalline base with it. There was a great thunderclap and lightning flashed out from the gavel base and flew across the room in all directions.

The Judge of All the Earth: It was only then that I could see the Judges behind the bench. The only Person I could not see the Face of was the Father, but I could see the Throne He sat upon and the outline of His Face. He seemed to be clothed in a white, blinding light as well. He had a black robe on but had every color of the rainbow flashing out of it. If He moved even slightly, lightning bolts would fly all over the room out of His head, His hands and His feet.

The other Judges to the Father’s right hand were Enoch, Father Abraham, Moses the Lawgiver, David the King, Elijah the Prophet, and Daniel. On the Father’s left hand were John the Baptist, Peter, James, John, Andrew, and Paul the Apostle. I do not know whether these were the permanent Judges of the Supreme Court of Heaven or not, but these were the ones seated for this case. They all were also dressed in these black iridescent judge robes. There were stunning crowns of glory on each of their heads, and they were holding gold scepters in their right hands. The Father in the middle on the Throne of Judgment held the biggest scepter and had many crowns suspended over His head that shot lightnings out of them in every direction. I could not look upon them or His Face because it was so bright; it was like looking into the noonday sun. I was given one glimpse at Him when He first came into the Courtroom. There was a rainbow that would appear that encircled Him above and below that I saw a few times during this vision. I could not endure looking at Him for more than a split second before I had to avert my eyes, for the white blazing brightness was too intense. All the judges behind the Great Bar were emanating great light that was also nearly blinding. That is the closest I can describe them now.

Then the Case was read before all present by Lady Justice the Angel:

She spoke: This is (the summary of) the case brought before the Supreme Court of Heaven today:

The Timing of the Final Judgments: “The Timing of the Final Judgments of the Day of the LORD must be decided. The Accuser satan is prosecuting, declaring that the time of Adam’s lease is over and he must be allowed to take ownership of the earth for a time, and times, and a half of time, as it is written in the Holy Scriptures.

“Representing the Holy Defense is the LORD Yeshua, Jesus, the Messiah, the Lamb of God.” At this, Yeshua Himself stood up at the Defense table as the Advocate General of the Bride of Messiah on earth, He was representing the Holy Saints of God still alive in their bodies on earth. When He stood up at the left table, everyone bowed and worshiped, except those at the prosecution table to the right. There was a very handsome man who just sat stone-faced with several other princes at the prosecution table. They did not move. The head “man” sneered when they worshiped Yeshua.

“Representing the agenda of the fallen lucifer, now called satan, is himself, the Accuser, liar and deceiver — *Ha satan*.”* At this, the handsome prince with the evil smirk stood up. No one moved. There was silence in the courtroom for about a minute. Then, Lady Justice spoke again, “You may sit down now.” Finally, he did so, with another sneering grunt. I marveled that he seemed human and actually very attractive to look at, although there was no heavenly light in him or around him.

“The prosecution may proceed,” Lady Justice proclaimed.

At that, this “man” stood up. He was robed in a black suit that had a long cape of crimson red that followed behind him. He had gold epaulets on his shoulders that were built into his cape. He was very articulate and extremely haughty. I got sick to my stomach, as he spoke. He walked back and forth in front of the court room in long strides with his nose in the air. It reminded me of a painting of what Napoleon looked like, except this “man” was much taller than Napoleon. He began his long diatribe of accusation against fallen man. He seemed to know the Bible very well. Starting from Adam and Eve, he began accusing God of failing mankind in every generation. He started with the stipulation, “Adam was given exactly 6,000 years to rule the earth. He gave that lease to me and I own it. I have a right to rule over every man, woman, and child who are MINE by Adam’s free choice. The time is up. I now demand, to be given to me the government of Mankind through whom you call the Son of Perdition. I call him, My Son of Man. I have the scriptural right to take control of the earth for seven years. GIVE IT TO ME NOW!”

* *Ha satan* is Hebrew for “the adversary”

Then he sat down. Again, for about a minute or so, there was complete silence.

Lady Justice then spoke again, “the Defense may proceed.”

Yeshua then arose from the Defense table. He wore a white robe with blue trim and red sleeves with a bottom border and neck border of red. He wore a small diadem of solid diamonds as a crown. Once again, when he stood up, everyone bowed their heads before Him in worship, except those at the prosecution table.

He said, (in summary) “As the true Son of Man, I have taken the death penalty for every generation of fallen man, including those in this harvest generation. I also stripped satan of his authority over the Church of the Living God. His gates can no longer prevail against her. Through the intercession of My Holy Bride on earth, the overcoming Church of the Living God, there has been granted a pause by this Court to allow for the fullness of the harvest to come in, during the last hearing on this matter in 2015 — three years ago in earth’s time. For I spoke on earth, as it is written, ‘This Gospel of the Kingdom shall be preached in all the world, and then the end shall come.’ I, by the authority of the prayers and intercession of the Bride, documented here in this scroll...” He handed the scroll to the Father, and another copy of it to satan’s prosecution table... “I petition the Court for another measure of time for the end-time church to finish and fulfill the promise to My people, as it is written, “that NONE should perish, but all, (who are truly Mine) have the opportunity to hear the good news of the Gospel and to be saved from perdition.”

As he was speaking, satan - the handsome “man” lawyer was busy reading the scroll feverishly to see if there truly was enough intercession to stop his immediate seizing of the earth and for the tribulation to begin. He was consulting his other diabolical “lawyers” about it. Foul language was coming out of his mouth along with hissing and accusing his right hand “man,” saying, “You told me that we had destroyed the prayers of the church. The great awakening had been thwarted! !##***!@&*!”

The Faithfulness of the Martyrs: “Yeshua continued, “As you can see, my faithful Bridal remnant has kept the faith, enduring the evil, and continue to overcome. The blood of the martyrs has proven their faithfulness. Look at China. Look at the Middle East. Look at Africa. Look at Indonesia. Look at South America. Look at the islands of the sea. Look at My persecuted Bride in all nations. Even America has held, though all of hell has been thrown against her. The facts speak for themselves. I have the authority to request for another extension of time. The Defense petitions the Court for another extension of time in the Grace that I purchased by My blood on the cross. Also, I petition the Court to look into the scrolls of the hidden counsels written before the foundations of the earth regarding the Mysteries of the Harvest of the end of days. These, satan has no knowledge of — as they were never shown to him. It is written there, as well as in the hidden revelation of scripture, that the Tribulation beginning the Kingdom Age must begin only after ALL of My Bride that are ordained to Eternal Life are saved and come to the knowledge of the truth. This information can also be found in the scroll given by My hands to the Court for eternal record. The evidence written in this scroll fully confirms and documents our Holy and Righteous claim. Though millions shall come to Me and be saved in the Tribulation to come, My Holy Bride must all be prepared now!”

Then there came a time of silence. Nobody moved. The Judges on the bench were studying the scroll. Somehow it had multiplied into 13 scrolls. All of the Judges, (including the Father), read through the scroll. I got to get one glance at the writing. It was written in red! It was written in the blood of Yeshua! I was told that by the chronicling angel that was helping me to write. Amazingly, as I wrote about this, the ink coming out of my pen became blood red as well for the duration of the description of it. Then, it turned back to black ink again.

After some deliberation, there was a vote. Every judge voted in favor of the saints to extend another time period of grace. I cannot disclose how long it is at this time.

The Verdict: Finally, the Father, the Great Judge of all the earth, spoke. He said:

“On the basis of the evidence presented by the Defense, I decree that the prosecution has failed to bring a closing to the final days of Grace on earth. An extension of time has been granted to the saints of the overcoming Bridal remnant Church.

“Nevertheless, the birthing pains and judgments on the earth will not be stopped. *Ha-satan* has the authority to rule over the tares of the earth — the wicked in darkness, by their willing consent according to the tenets of free will

given to Adam's race at the beginning of creation. Both the tares and the wheat have grown up and are now ready to be harvested. Therefore, the birth pangs of judgment shall increase. Those that will abide with Me in the secret place, I will provide for and protect. Those that do not are in more and more peril with each passing day. Though I have granted this, the final Day of the LORD has indeed come, and the prosecution is correct. The time of Grace upon the earth is nearly over. **Warn my children: This is the midnight hour!** Watch and Pray that you can stand in the evil day and overcome! I am answering the prayers of My Kingdom coming to earth. It shall come first in the fire of My Holy judgments! But it shall also come in the Great Awakening of revival and outpouring that I have promised. The Time of My Wrath is soon to engulf the earth! But, in it I will remember Mercy. Many millions of souls shall be saved and come to the knowledge of the Truth."

Heaven's Blind Justice: Then the Angel, Lady Justice, came forward and was blindfolded. She raised a large, old fashioned scale in her hands above her head. Into one of the bowls a presiding angel poured a black sand-like powder from a brass urn. This tipped the scale to all the way at the bottom as far as it could descend. This represented the accumulated sin and rebellion of all of mankind, as well as the failures of the church in this generation. Into the other bowl, a presiding angel dressed in a golden robe poured a white sand-like powder from a porcelain white urn, that represented the prayers and intercession and obedience of the overcoming church in generations past as well as the Bridal company of our generation. (This is what allows for evil to be restrained.) I was really alarmed, because it looked so small at first compared to the amount of black powder in the other bowl. But, the angel kept pouring, and suddenly the Holy justice scale began to balance out. Then it was even. As we all watched, the scale suddenly shifted. The white bowl went down and the black bowl came up! Then there were mighty shouts of Praise and Victory in the Courtroom!

Then, the Father raised His golden scepter in His left hand, and slammed his Gavel down accompanied by thunderclaps and lightning flashing everywhere with bursts of rainbow colors shooting through the courtroom, and said, "The time of Grace shall be extended as petitioned by the Bride of Messiah for a little longer. _____ more [length of time] has been granted to finish the final harvest in the age of Grace."

(Note: I have condensed what was spoken in the trial into this brief summary. I am forbidden to share any more... though much more was spoken. You can (eventually) go to the Library of Legal Proceedings in Heaven to access the entire transcript. Of course, you will probably have to wait for this access until you arrive there, unless granted by the LORD through revelation by the Holy Spirit. Amen.)

Then, I was told to sign the recording scroll I had written. The other four prophet recorders also signed their scrolls. I noticed that their scrolls were written in different earthly languages. The most visible was in Chinese.

Then, the vision ended and I immediately went to my computer and typed what I saw and heard.

Dearly Beloved Bride of Messiah, we must labor now while it is light! Soon it will be night, when we cannot labor in the Harvest Fields of the earth any longer.

People get ready! Jesus is coming!!

Vision of the Sleeping Bride: Linda Gladman had a vision many years ago of a woman sleeping in her bed. Linda asked the Lord who it was that she was seeing. The Lord said, "That's my Bride, and she's asleep." Then Linda heard the alarm clock going off, and the Lord said, "I keep sounding the alarm, but she keeps turning on the snooze. But I'm getting ready to sound the alarm that will shake her to the depths of her being, and when I do, she will leap off her bed of complacency." Then she saw the Bride leap up out of bed feet first and land at the foot of her bed. Her armor was laid out on the floor, and in one swoop of motion, she bent down and slipped into her armor. As she was walking out to go into the battle, she heard the Lord say, "Take up your bed, and make no provision for a relapse!" She knew that this was the end times and she wouldn't be coming back to her bed anymore.
