Today's Gospel Reading

John 9:39-10:10

Jesus said, "For judgment I came into this world, that those who do not see may see, and that those who see may become blind." Some of the Pharisees near him heard this, and they said to him, "Are we also blind?" Jesus said to them, "If you were blind, you would have no guilt; but now that you say, 'We see,' your guilt remains.

"Truly, truly, I say to you, he who does not enter the sheepfold by the door but climbs in by another way, that man is a thief and a robber; but he who enters by the door is the shepherd of the sheep. To him the gatekeeper opens; the sheep hear his voice, and he calls his own sheep by name and leads them out. When he has brought out all his own, he goes before them, and the sheep follow him, for they know his voice. A stranger they will not follow, but they will flee from him, for they do not know the voice of strangers." This figure Jesus used with them, but they did not understand what he was saying to them.

So Jesus again said to them, "Truly, truly, I say to you, I am the door of the sheep. All who came before me are thieves and robbers; but the sheep did not heed them. I am the door; if any one enters by me, he will be saved, and will go in and out and find pasture. The thief comes only to steal and kill and destroy; I came that they may have life, and have it abundantly."

KOMITAS AND ARMENIAN MUSIC

Interactive Workshop

TUESDAY | MAY 19 | 2026 | 7:00 PM

ST. VARTAN ROOM

22001 NORTHWESTERN HIGHWAY, SOUTHFIELD, MI 48075

This interactive workshop, led by Dr. Tatevik Shakhkulyan, invites participants to experience Armenian music through the work of Komitas the famous priest, ethnomusicologist, and composer, widely regarded as the founder of the Armenian national school of music. Open to everyone—no prior musical training required—it offers a shared space for listening, singing, and discovery. The workshop focuses on process rather than performance, offering a hands-on introduction to Armenian musical traditions.

Dr. Tatevik Shakhkulyan is an ethnomusicologist specializing in Armenian musical traditions, with a focus on the legacy of Komitas. She is a Senior Researcher at the Institute of Arts of the National Academy of Sciences of Armenia and teaches at the Yerevan State Conservatory. She also develops educational programs at the KAYT Cultural-Educational Hub and is the author of both scholarly and accessible works.
