### Midday Hymn

Sung during the Synaxis (at the bottom of page 12 in the Divine Liturgy book)

#### Resurrection Mode 5

Let all the earth bless Christ the King with a song of praise.

Let all the earth dedicate a hymn of praise, with thanksgiving to the Creator of heaven and earth.

Glory to the Father and to the Son and to the Holy Spirit;

Now and for ever and unto the ages of ages. Amen.

---

### Today's Gospel Reading

Mark 7:31-37

Then he returned from the region of Tyre, and went through Sidon to the Sea of Galilee, through the region of the Decapolis. And they brought to him a man who was deaf and had an impediment in his speech; and they besought him to lay his hand upon him. And taking him aside from the multitude privately, he put his fingers into his ears, and he spat and touched his tongue; and looking up to heaven, he sighed, and said to him, "Ephphatha," that is, "Be opened." And his ears were opened, his tongue was released, and he spoke plainly. And he charged them to tell no one; but the more he charged them, the more zealously they proclaimed it. And they were astonished beyond measure, saying, "He has done all things well; he even make the deaf hear and the dumb speak."
