

LUN TOWN HALL MEETING

Homelessness in Denver What Approaches Help and Which Do Not

Tuesday, April 5, 7 - 8:30 p.m.

Doors open at 6:30 p.m.

Eisenhower Chapel

LUN presents this discussion because of widespread frustration that millions of dollars and years of work have brought only fragmented remedies. Along with homelessness, comes health and safety impacts harmful to those who live on the streets, as well as to other citizens of Denver.

LUN has assembled this panel of local leaders to help us better understand the challenges for the homeless and unhoused in our city and for the agencies who serve them. The panel will discuss the spectrum of services and housing options designed to assist unhoused individuals in Denver and what those efforts have achieved.

Time will be allowed for audience questions.
