

## Dahlia Ornament

### Supplies:

- Clear, 2-piece, snap together ornament (from craft store like Michael's, JoAnn's or Hobby Lobby)
- Foam board
- Dahlia picture sized and printed to the diameter of the ornament
- Laminator (optional)
- Clear glue
- Glitter, ribbon

### Instructions:

Cut a foam board circle the diameter of the ornament. You want it to fit very snugly into the ornament.

Cut the dahlia picture the same size as the foam board circle.

Laminate the picture if a laminator is available. Trim lamination to picture size.

Glue picture to foam board. Let dry completely.

Glue foam board into ornament. Let dry completely. Snap two pieces of ornament together. Add ribbon and glitter as desired.
