RESILIENCY FAIR

Transition **Berkeley**

February 23, Saturday, 11 am-3 pm

BECOME MORE RESILIENT! Learn about emergency preparedness, personal health & well-being, how to fix things & reduce waste, grow & share food, help our natural habitat thrive, plus so much more at the **Resiliency Fair and Repair Café!**

Don't send your broken item to the trash – bring it to the Repair Café! Come to this gathering where community members help each other repair what's broken. This event is free and intended to empower us to repair. It is not a free drop-off repair service.

For more event info and to **register your item:** www.transitionberkeley.org

For questions contact: info@transitionberkeley.org **Everyone is welcome to come!!**

This event is organized by Transition Berkeley with funding from StopWaste, and support from The Culture of Repair Project, Berkeley Adult School, Berkeley Times, Ecology Center, Sophie Hahn, Berkeley City Councilmember.

Berkeley Adult School, 1701 San Pablo Ave., Berkeley

Accessible by AC Transit, walkable from North Berkeley BART. Bike and car parking available. Wheelchair accessible.
