

# Preferred Vendor program

MCASF is active & growing.

Sign up now & be a part of our fun 2017 networking events!

## Why should you join?

For 69 years, the Mechanical Contractors Association of South Florida has represented the top HVACR / mechanical contracting firms in southeast Florida. Our Association has a rich history, and a very active membership led by our Board of Directors, which is comprised of key decision makers in the southeast Florida mechanical contracting industry.

## Many of our members may already be your customers.

Wouldn't you like the opportunity to show them your appreciation, while at the same time reaching new customers?

**MCASF Preferred Vendors have exclusive opportunities** to interact with MCASF contractor members by serving as sponsors for our events throughout the year. As well, Preferred Vendors are featured in our newsletter in vendor spotlights we create for you at no charge.

## Membership is exclusive.

The number of vendors approved to join MCASF is restricted, creating an ideal environment for networking and relationship building. Preferred Vendors require a referral from a MCASF member, and first-time members must be approved by the Board of Directors.
