

College Credit Program

Great Hearts Online is partnering with our sister Brick-and-Mortar academies to offer a College Credit Program. Our program will provide Great Hearts High School scholars an exceptional opportunity to earn college credit while completing their general Great Hearts high school courses.

How it Works

- 1 Scholars can opt to earn college credit for designated courses by completing the registration process online. Note: Payment is due at the time of registration.
- 2 Scholars will attend the course at their Great Hearts campus without any changes to the curriculum.
- 3 A GHO faculty member, approved by Western Texas College, will grade the assignments based on the rubrics and learning outcomes of the course.
- 4 Scholars will receive a high school letter grade based on their performance in the Great Hearts course.
- 5 Scholars will receive a college letter grade based on their performance on the 3-5 assignments in Canvas and completion of the Great Hearts course.
