

# Pain & Substance Use Disorder ECHO

## Non-Pharmacological Options for Pain Management

ECHO Call: Thursday, February 20, 12 p.m. – 1:15 p.m. (CDT)

### Presenter:

**Kim Haynes-Henson, M.D.  
Anesthesiology Specialist**

Dr. Kim Haynes-Henson is a Chronic Pain Anesthesiologist, board certified in anesthesiology as well as pain medicine. She is an associate professor in the anesthesiology department at the University of Nebraska Medical Center and the program director for the pain medicine fellowship at Nebraska medicine. Her clinics are at the Pain Medicine Clinic at Village Point and at the Clarkson Doctors Building North.

### Overview:

This ECHO (Extension for Community Healthcare Outcomes) is comprised of a group of experts assembled to help care teams in Nebraska address complex issues related to addiction and pain.

### Target Audience:

- Physicians, Physician Assistants and Nurse Practitioners
- Pharmacists
- Licensed Mental Health Therapists
- Licensed Alcohol and Drug Counselors
- Program staff associated with entities that treat substance use disorder and/or pain
