Presenter:

Dr. Kenneth Zoucha, Addiction Medicine Specialist

Kenneth "Ken" Zoucha, MD, is the Medical Director of Hastings Juvenile Chemical Dependency Program at the Hastings Regional Center. He maintains Board Certification in General Pediatrics and Board Certification in Addiction Medicine and is a Fellow of the American Academy of Pediatrics, Fellow of the American Society of Addiction Medicine and a Diplomat of the American Board of Addiction Medicine.

Learning Objectives:

- Review the basics of neurobiology related to substance use disorders.
- Apply neurological concepts to the treatment of substance use disorders to reduce stigma.

Continuing Education:

The University of Nebraska Medical Center, Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Nebraska Medical Center, Center for Continuing Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Nebraska Medical Center College of Nursing Continuing Nursing Education is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. This activity is provided for 1.0 contact hour under ANCC criteria.

This program is not yet approved for LADC credit. ECHO organizers plan to request 1 credit from the NE LADC Board. The total number of approved credits yet to be determined.
