

Pain & Substance Use Disorder ECHO

Public Service System and Funding

ECHO Call: Thursday, August 1, 12 p.m. – 1:15 p.m. (CDT)

Presenter: Tamara Gavin Private Insurance Contact

Tamara Gavin, LCSW, is the Deputy Director of Community Based Services for the Department of Health and Human Services Division of Behavioral Health. In her current capacity, she oversees the community based services system for the Division of Behavioral Health. In addition, Tamara serves as project director for numerous federal discretionary grants including the State Targeted Response and State Opioid Response grants through the Substance Abuse and Mental Health Services Administration. She has over 15 years' experience working in the Nebraska service system, having worked in child welfare, juvenile justice, and in direct clinical practice serving Nebraska youth and families. Prior to joining the Division of Behavioral Health in December 2015, Tamara served as the Clinical Director for Magellan Behavioral Health in Nebraska.

Overview:

This ECHO (Extension for Community Healthcare Outcomes) is comprised of a group of experts assembled to help care teams in Nebraska address complex issues related to addiction and pain.

Target Audience:

- Physicians, Physician Assistants and Nurse Practitioners
- Pharmacists
- Licensed Mental Health Therapists
- Licensed Alcohol and Drug Counselors
- Program staff associated with entities that treat substance use disorder and/or pain
