Become a
Community Health Worker (CHW)

Do you want to help others? Would you like a career in health care?

Becoming a Community Health Worker (CHW) allows you to serve as a link between your local health clinic and your community.

Get FREE tuition, a FREE laptop and advance your skills today!

What does a CHW do?

As a CHW, you would:
- Help people understand their health problems in their own language
- Help people choose ways to improve their health and find the services they need to be healthier
- Learn skills to assist the healthcare team in the home or in the clinic

How do I become a CHW?

- Sign up to receive free tuition to complete the CHW certification program
- High school diploma or GED required
- Get a new laptop and supplies for the program!
- Coursework must be completed within 1 year of start date
