

CREIGHTON UNIVERSITY

Psychiatric-Mental Health Nurse Practitioner Dual Certification Interest Dinner

Creighton’s Psychiatric-Mental Health Nurse Practitioner program is ideal for nurse practitioners who want to expand their impact and deliver truly holistic care. This flexible, online program prepares you for dual certification so you can care for both physical and mental health needs in one trusted setting. Through a student centered design — including synchronous classes and curriculum rooted in evidence-based practice with biopsychosocial assessment, psychiatric interviewing, pharmacological and psychotherapeutic interventions, and telehealth — the program equips you to meet rising mental-health needs, reduce stigma and increase timely access to care while advancing your own practice and professional versatility.

Time: 5:00 - 7:00 p.m.
Date: February 19, 2026
Location: Cunningham's on the Lake
610 Talmadge St., Suite A
