Primary Care Provider Workshop

Join us for an expert-led workshop on anxiety disorders, mood disorders, personality disorders, and psychiatric emergencies. These sessions will provide valuable insights into key behavioral health challenges.

Featuring:

- Zachary Keller, DO
- Jacob Givens, MD
- Ayla Gregg, APRN
- Mark Aksamit, PA-C, CAQPsych

Attendees will have the chance to:

Review criteria for the identification of behavioral health conditions and the development of appropriate treatment plans.

Discuss questions and clinical challenges with subject matter experts related to addressing behavioral health conditions in a primary care setting.

Identify opportunities for collaboration and network building between primary care providers practicing in Nebraska.
