

Chocolate Apple Pops

Instructions:

Prepare your desired toppings.

Melt dark chocolate wafers using a double boiler or your microwave. Be sure not to burn the chocolate. Prepare a baking sheet with parchment paper.

Slice the apples into 1/4 in-thick slices. Carefully insert wooden sticks.

Dip or cover in melted chocolate. Sprinkle on desired toppings. Place on parchment paper. Repeat with each apple slice.

Place in the fridge or freezer until the chocolate hardens, 10-15 minutes. Serve and enjoy!
