

FIRST UNITED PRESBYTERIAN CHURCH OF CRAFTON HEIGHTS

PREPARING FOR IN-PERSON WORSHIP

In consideration of current CDC guidelines, we are revising our in-person worship policies as follows:

- **Entry/Exit:** The Stratmore St. doors will be the only ones used. Should the lift be required, it will be available.
- **Masks are Required** – Please wear your mask when entering and during the entire service. If you do not have a mask, or forget yours, one will be provided to you
- **Sanitize Hands** – Sanitizer station will be available when you enter the building.
- **Register yourself and/or any family members with contact information as you enter.**
- **Maintain Social Distance** – With the exception of family groups we ask you to maintain a 3 ft. social distance from others. Worship facilitators will be directing seating and exiting each Sunday.
- **At this time we are not able to provide any child care during worship**
- **The unisex restroom in the back of the sanctuary will be available**
- **Your consideration to these procedures is appreciated.** As we continue to allow larger groups to participate in-person, this makes it more important that we follow guidelines.

Important – Please note: In order to ensure maximum inclusion, we will continue to livestream our worship service via the church’s Facebook page and then again on YouTube.
