

Go Fish!

Pond Management Seminar

When: February 21, 2019

5:30pm – 6:00pm Introductory Presentation

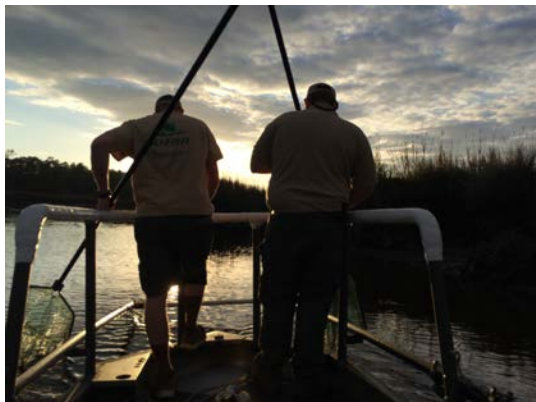

6:00pm – 7:00pm Question and Answer Session with
Scott Robinson (DNR Fisheries Biologist & Operations Manager)

Where: Go Fish Education Center Theater

Admission Price: \$7/adult; \$6/senior and active military

Please feel free to bring samples from your pond of aquatic vegetation for identification and control method recommendations or water samples for testing for lime needs. Samples should be in clear sealed jars or plastic containers.

The center will be open for night time viewing of our aquariums and you can even try out our virtual fishing and shooting simulators.

1255 Perry Pkwy., Perry, GA 31069
