Parents, grandparents, and toddlers are invited to join us for this monthly educational program which explores different topics each month. Programs may include animal encounters, hands-on activities, crafts, songs, story time and more. Programs are designed for toddlers and incorporate many of the Georgia Early Learning Development Standards (GELDS). A parent/guardian is required to stay with the child throughout the program and encouraged to join in the fun. Programs are designed for toddlers between the ages of 1 and 4 but siblings may attend. Participants are welcome to visit and enjoy the center on their own before and after the program.
