Kidz2Leaders exists to break the cycle of incarceration by providing stability, opportunity and a Christian community for children of inmates.

Ministry Overview

Our 10-year program continuum is designed to cultivate long-term, supportive relationships, beginning with children at age eight and serving them and their families through young adulthood. We believe it is only through this long-term commitment that we can truly end generational incarceration.

Join us for music, food and fun!

We will enjoy a summer supper by the pool where information booths highlighting our programs - Camp Hope, Interns4Tomorrow, Family Support and Alumni Community - will be located. There will be raffle tickets for great prizes as well!

"For I know the plans I have for you...plans to give you hope and a future." Jeremiah 29:11
