

The next words of our story are waiting to be written as we journey together ***Further in Faith.***

»»» WHY

God has been leading us in His purpose of greater Kingdom impact in our community and beyond with **real relationships** that result in **real transformation**. We are living out His plan for us in our new church home, reaching more people than ever before. Now, God is calling us to keep moving further in our Faith. Building on the success of the *Forward in Faith* campaign, First Pres Tampa is now ready to move forward into the next chapter of its journey with a new 3 year giving campaign, ***Further in Faith.***

WHY NOW?

While the previous campaign allowed First Pres to find and build its new home on Horatio Street in South Tampa, the ***Further in Faith*** campaign will position First Pres to be debt-free and ready for the future the **LORD** has for us.

Our new building has already proven to be a place where people encounter Jesus face to face through worship, fellowship, children and youth programming, life groups, service in our community and so much more. In order to complete all of the dreams surrounding our new building, we are now being called to journey ***Further in Faith.***

WHAT

The goal of the **Further in Faith** campaign is two-fold, to retire the remaining debt on the new building as well as complete the final projects that were part of the original vision for our new church home. Completing both of these initiatives will well position First Pres in its financial future, opening the door for untold new steps of faith for our church family.

NEW PROJECTS

CHILDREN'S PLAYGROUND

A church playground will:

- Create an environment to establish family fellowship for church families before and after services
- Create a non-threatening and "non-religious" space to build relationships with people from our community and neighborhood.
- Provide more use of our facility on non-Sundays for church families (i.e. birthday parties, playdates, life groups, etc...).

MEMORIAL WALL

A three-sided wall will be constructed on the eastern (Lincoln St.) side of the campus.

- The wall will include space for name plates to honor and remember former friends and members of First Pres who are no longer with us.
- The interior area will also host a fountain and benches for reflection.

SECURITY WALL

A "knee-wall" will be constructed across the patio entrance to First Pres (along Horatio Street). The wall is needed for safety as the sidewalk on that side of the building is approximately 5 inches lower than the patio. This ensures this area can be used as an extension of our lobby safely.

HOW

SEEK

Seek God as to what financial sacrifice means for you and your family and how you can now to be a blessing.

LISTEN

Hear from Him what your next step of generosity should be on this Transformational mission.

OBEY

Take the step! Do whatever bold thing God has laid on your heart.

Complete the commitment card and join us daily in prayer.
