

**LOUISBURG UNITED METHODIST CHURCH**  
**Local Disaster Ministries Preparedness**

“For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in.” Matthew. 25:35, NIV

The bible shares with us the importance of helping other people. Recognizing that our church has an important role to play in our community, the LUMC Administrative Council has authorized the development of a Local Church Preparedness and Disaster Plan to better prepare our congregation to respond locally to the needs of our community and church during times of disaster. To accomplish this task, we need the help of each of our members as we identify the individual resources and/or skills available within our congregation. This survey will help in identifying those congregants who have disaster equipment and supplies or skills that they are willing to share in the event of a major weather event or disaster impacting our community and/or church. Thank you for assisting with our Local Church Preparedness and Disaster Plan.
