FieldScope Users per Month in 2021

FieldScope Data Collection

Despite a dip in usage during the the first part of the COVID-19 pandemic, FieldScope has seen an 80% increase in usage from 2020-2021

John Satwork

New Tech Updates 2020-21

- Mobile-friendly data entry
- Ability to embed visualizations in external websites
- Upgrades to filtering functionality - by organization, group, or chapter
- Major updates to the backend for enhanced security and improved participant log-in processes

Matthew Ansley
