

Ivy Corner

Lesson Prompt:
 In Technology during Spiritual Emphasis week, we discussed three things.
 1. What does the Upside Down Kingdom look like and how can we live like citizens of the Upside Down Kingdom?
 2. What does Easter mean to you? I had the students close their eyes and I prayed over them for God to show them what Easter means and looks like to each of them.
 3. How does Easter connect with our SEW Theme "The Upside Down Kingdom?"
 Below are the results of our discussions throughout each of the classes.
 Enjoy!
