

March 2018

Dear MCS Parents,

Our *Pastors Chapel* has become a special tradition here at Mariners Christian School. Each year we invite pastors from the churches our MCS families attend to come and enjoy a breakfast together, and then worship with our students in chapel.

This year our *Pastors Breakfast and Chapel* is on Monday, April 23.

Our MCS families attend over 75 churches in Orange County, and we're so grateful for the spiritual impact the church community has on our school community! Each year we send an invitation (via email) to the pastors who work with our middle school and elementary students at these local churches, as well as to the senior pastors.

We know, though, that there are very significant leaders at your church who impact your child's life every weekend, and they may not necessarily be the key leaders on staff - it might even be that faithful volunteer who loves and teaches your child or leads a small group. **We want to provide our students with the opportunity to personally invite the pastor or leader who invests in them. We are sending home an invitation and a letter of explanation that your child may hand deliver to that special leader at your church.** We would love to have them join us for breakfast on campus, followed by a time of worship and celebration with our students in chapel on April 23.

7:30: Church Leader Breakfast (without students)
8:40: Chapel with MCS Students

In chapel last Monday, our students heard about the opportunity to deliver this invitation to someone at your church. **If they choose to invite someone, there is no other obligation from your family except the hand delivery.** The RSVP process is all done online by the pastors or leaders themselves, and we send any other information about the Pastors Chapel directly to them if they plan to attend.

Thank you for considering this blessing to someone at your church! Feel free to have your children include a personal note to their pastor or leader in the envelope.

Sincerely,

Sue Celek
