

# IMPORTANT REMINDERS - 2017-2018 Middle School Uniform Guidelines

[6th-8th Grade Boys' Shorts and Pants](#) must be classic navy blue or khaki, uniform/chino style and material (cotton twill fabric), similar to the options at Lands' End. Shorts and pants that are super thin or board-short material are not allowed. Pants must be full-length and cannot be frayed or folded at the end. If purchasing boys shorts or pants at alternative vendors, be aware that styles/colors/fabrics must be comparable to Lands' End options, and students will not be permitted to wear items that are not aligned to these guidelines.

[All 6th-8th Grade Boys' Uniform Sweatshirts and Sweaters](#) must be classic navy blue, and the MCS logo is required on all sweatshirts and sweaters. All students may also wear MCS Spiritwear sweatshirts. Only 8th grade boys may wear college/university/D.C. sweatshirts. Any sweatshirt that does not follow these guidelines will not be permitted.

[6th-8th Grade Girls' Skirt Options](#) included in the MCS Middle School Uniform Guidelines are not the same as the elementary options. Girls may not wear the same styles they wore in elementary (no skorts including plaid skirts with skort). For this reason, new skirts must be purchased for 6th-8th grade and all girls must wear only Middle School approved styles. There are 9 approved skirt options for 6th-8th grade girls and all are provided through Lands' End. It is important to note that these uniform options and this guideline is not new, but we will be strictly enforcing skirt styles and options next year. Please see the below "Middle School Uniform SKIRT Options" for approved skirt options.

[6th-8th Grade Girls' Skirt Length](#) must be no shorter than 3 inches above the knee. For cost savings, we encourage parents to purchase skirts to allow for growth over the course of the year. *6th-8th Grade Girls' Skirt style and length will be strictly enforced beginning the first day of school.*
